Jordan Raps Israel Attack On 8 Villages

By The Associated Press

Jordan charged today that Israeli planes and artillery killed at least 13 Jordanian civilians and wounded 17 in a heavy attack on Northern Jordan early today.

It was the second successive night of heavy fighting across the Israeli-Jordanian cease-fire line, and the Jordanian casualties were the largest reported on that front in some months.

Israel charged that Jordanian guns began firing first on agricultural settlements in the Beisan Valley. The Israelis said eight settlements came under fire during an exchange that lasted nearly five hours. A spokesman said the Jordanian barrages caused some damage but no casualties.

Israel confirmed that its air force had gone into action again, as it did during a similar duel Sunday night across the cease-fire line.

Israeli spokesmen said the targets both nights included batteries of the Iraqi Army division which has been stationed in northern Jordan since the 1967 Arab-Israeli war. Israeli sources said the Iraki batteries have been strengthened by big new Soviet 122mm guns.

A Jordanian spokesman said Israeli planes bombed the villages of Kafr Assad and Irbid. He said heavy artillery on the Golan Heights, which Israel seized from Syria during the 1967 war, fired on both villages and on the villages of Ghum and Summa.

The Jordanian spokesman said most of the victims were at Kafr Assad and that the bombing and shelling destroyed 10 houses at Irbid.

He added that rescue operations were continuing, and the number of casualties might increase.

The Israeli spokesman said the Jordanian gunners fired on the settlements of Hamadiya, Ashdot Yaaqov, Tel Qazir, Degania, Fkar Ruppin, Maoz, Hayim, Neve Ur and Beit Yosef, a chain extending a distance of 20 miles south of the Sea of Galilee.

It was not known whether Israeli planes participated in the action Monday night.

Also on Sunday Israeli helicopters flew a commando band 40 miles inside Jordanian territory, and the commandos blew up a rail bridge and a highway span on the route between Amman and Jordan's only port, Aqaba. Israel said the raid was in retaliation for more than 50 Arab sabotage raids since Nov. 16.

Saigon's Delegation Sets 3-Point Peace Talks Plan

South Viet's Negotiators Due In Paris

Ky Expected Over Weekend As Hanoi Awaits Conference

SAIGON (AP) — South Vietnam's delegation to the Paris peace talks will take along a three-point plan, informed government sources said today.

"That's ridiculous, very ridiculous," said a spokesman in Paris for the Viet Cong's National Liberation Front when told the plan's third point called for the NLF and the Viet Cong to rally to the Saigon government.

The other points are:

1. A de-escalation of the fighting, particularly reduction of attacks on South Vietnam's cities and a halt to incidents in the demilitarized zone.

2. A "controlled and guaranteed" withdrawal of North Vietnamese forces, accompanied by a phased cutback in American strength.

"You know very well the position of our delegation," said the NLF spokesman in Paris. "The puppet administration of Saigon represents no one. It is the creation of the United States. The National Liberation Front is the legitimate representative of the South Vietnamese people who are rallying to us at this moment. I find these proposals scarcely realistic."

Meanwhile, an advance party for South Vietnamese President Nguyen Cao Ky began arriving in Paris as U.S. and North Vietnamese negotiators inched toward the opening of the expanded conference.

Nguyan Thieu Nhon, Ky's special assistant for legislative relations, was the first arrival. South Vietnamese officials said Ky's press spokesman, Dang Duc Khoi, is due Wednesday.

Ky is expected this weekend. He will supervise the Saigon government's negotiating team, but South Vietnamese sources said Saigon's group at the conference table will be headed by Pham Dang Lam, South Vietnam's chief observer in Paris when the United States and North Vietnam were doing the talking from May to October.

Lam returned to Saigon last month for his father's funeral and is expected back Friday.

With the South Vietnamese delegation expected in full strength by the end of the week, U.S. and North Vietnamese negotiators held their first meeting Monday on procedures for opening the conference next week.

A U.S. official said afterward there was progress at the private session and more would be held. He said the diplomats also traded protests about military action in Vietnam and did not nail down any specific agreements.

Hike In Gas Rate Faces New Debate

The great debate on the gas rate, which flared in Council late in 1967 and early in 1968, may be brought to life again at the next meeting Dec. 16.

The subject of a requested boost in rates for the Ohio Valley Gas Co., an issue since mid-1967, was raised again Monday night when Harold Sneddon, the utility's district manager, and Bruce Cox of the Steubenville office conferred with Council in a caucus session.

—:—

COX SPELLED out two alternatives for Council: Ohio Valley expects to file a petition with the Public Utilities Commission of Ohio in Columbus seeking rate increases that would average out to 15.8 per cent unless Council enacts an ordinance it rejected last March that would have given the utility an 11.88 per cent boost, averaged over a four-year contract, Cox said.

Council split on the question of granting the raise locally or allowing the decision to go before the PUCO. But the members indicated the rate ordinance will be presented at the next meeting, setting the stage for another debate.

President Norman Bucher polled the members on the question of enacting the local rate ordinance. Councilmen Robert W. Sample, James Lowe and John Wilson indicated they favored the idea. Councilman Frank Duffy was opposed flatly. Councilmen Donal I. Burcham and Floyd Murray declined to express an opinion. Councilman Edward Massey was absent, as he was receiving hospital treatment for a head injury suffered in an industrial

School Inquiry Promised 'In Matter Of Few Weeks'

A promise that the requested inquiry into the East Liverpool school system will take place before Christmas came this morning from Harold Sebold, executive director of the Ohio Association of School Administrators.

Sebold was contacted in Columbus by The Review.

"The team of educators which will investigate the controversy . . .will not be in the city this week," he said.

Sebold pointed out an "immediate" probbe takes time to set up. Those who will be conducting the inquiry have other commitments and the inquiry must be worked into their schedule.

He added, however, that it would be only a matter of about two weeks, and definitely before Christmas.

"This will not be a full-scale study of the school system—in no sense a full-scale investigation. What we are trying to do is bring in three or four people in a fairly short time to perform a consultant function. We are taking an outside look at some problems in an effort to offer some immediate guidelines.

"We are not going to investigate the teaching staff. A future study in depth is possible, if it is needed.

Father Eyes Soviet Aid To Free Crewman

NEW YORK (AP) — The father of a crewman on the intelligence ship USS Pueblo captured by North Korea is en route to Moscow to seek Soviet aid in gaining his son's release.

Robert Ayling and three fellow Virginians left by plane Monday night for the Russian capital.

Meanwhile, a move to petition congressmen and obtain the freedom of all 82 men aboard the vessel is being sponsored by the National Committee for Responsible Patriotism.

Ayling's son, Charles, 22, was a communications technician on the Pueblo when it was seized last Jan. 23.

Hugh Cline, a law partner of Ayling, told newsmen at Kennedy Airport: "We are hoping for a humanitarian gesture from the Russians."

Hearing Set Thursday In Mine Disaster

CHARLESTON, W. Va. (AP) — The State Department of Mines has called a preliminary hearing for Thursday to investigate the explosions and fire at Mountaineer No. 9 coal mine in Mannington last month.

The hearing will begin at 9 a.m. in the Marion County Courthouse in Fairmont and will continue into Friday.

Expected to testify will be personnel from the State Department of Mines, the Federal Bureau of Mines, plus various state and federal inspectors and some of the 21 survivors of the initial explosion.

The more than eight mile long mine, with its hundreds of miles of spur tunnels, was sealed late Friday when all efforts to extinguish the fire had failed.

Seventy - eight miners were killed.

Alaska Plane Crash Claims All 39 Aboard

Explosion Reported Before It Plunged Into Frozen Lake

ANCHORAGE, Alaska (AP) — A twin-engine propjet airliner crashed into a frozen lake in barren southwest Alaska Monday, killing all 39 persons aboard.

Residents of an Eskimo village near the crash site reported by short wave radio they saw an explosion near the tail of the Wien Consolidated Airlines plane before it spiraled to earth.

Wind gusting to 55 miles per hour and 11 below zero temperature hampered efforts to recover the bodies and start an investigation into the crash. Teams of workers from the Air Force, FAA, National Transportation Safety Board the FBI hoped to reach the scene by helicopter or small plane today.

George Fay of the Federal Aviation Administration in Anchorage confirmed that the reports indicated either an explosion or that the craft was trailing smoke before it hit the frozen ground and careened into the ice of Spotsy Lake.

The FAA said there was no indication of what caused the crash.

An Air Force helicopter reached the site Monday afternoon, but its commander, Maj. Norman B. Kamhoot of Forsyth, Mont., said fierce winds forced him to take off after 15 minutes on the ground. He said there were no survivors, and that Air Force medics checked the bodies they could find.

Dead were 36 passengers and the crew, Capt. David Stanley, Copilot Jerry Svengard and stewardess Sally Lamar, all of Anchorage. The plane was making a southwestern Alaska swing to Iliamna, Big Mountain, King Salmon and Dillingham.

Snow Again Appears In District Forecast

It was inevitable — "snow" has made its way back into the weather forecast.

The outlook is for rain tonight changing to snow, with the low in the 30s.

It will be cloudy and colder Wednesday, with some snow.

455 Since Bombing Halt

U.S. Cites Hanoi On DMZ Activity

SAIGON (AP) — The U.S. Command said today that reconnaissance has disclosed 455 indications of North Vietnamese activity in the demilitarized zone since the bombing halt on Nov. 1 and in at least 122 of the incidents American planes, artillery or warships fired on the enemy forces.

Previously the U.S. Command had reported American firing into the DMZ on 30 occasions since the bombing halt, occasions which the command had called "significant" incidents of enemy activity. Today a U.S. spokesman disclosed that American forces had fired into the southern half of the zone 117 times and into the northern or North Vietnamese half five times.

"The reason we did not report the others is that the results were not significant," the spokesman said. "In some cases the target was obscured and we could not get an accurate assessment. In other cases, bad weather precluded an assessment. You might call some of it harassing and interdiction fire, like cutting a road where activity had been spotted."

While the majority of the 455 "indications of enemy activity or presence in the demilitarized zone" were labeled insignificant by U.S. Headquarters, the totals made clear that North Vietnamese activity in the zone continues to be brisk and that U.S. planes and ground forces are on the alert to retaliate.

The spoktsman said the "indications" included such things as sighting vehicles, activity on trails, bunkers, sampans, lights, and small groups of soldiers on the move.

The 30 "significant" incidents in the DMZ included two attack by North Vietnamese machine guns Monday on an American reconnaissance plane. A communique said American bombers attacked the two gun positions, destroying one and damaging the other. None of the planes were hit, the communique added.

The South Vietnamese Foreign Ministry announced today that the North Vietnamese 138th Army Regiment had returned to the southern half of the DMZ on Nov. 21. The ministry said it had protested to the International Control Commission.

Before Jefferson Grand Jury

Wellsville Officers Called In 'House' Protection Quiz

Two Wellsville police officers were scheduled to testify today in the Jefferson County Grand Jury probe of prostitution protection charges lodged against Sheriff Richard P. Wells and his department.

The September Grand Jury was reconvened Friday to hear the charges and Police Chief John Hephner and Patrolman Charles Amato of Wellsville were subpoenaed to appear this morning.

Also scheduled to appear before the panel today were Mingo Junction Police Chief George Dodsworth, Jefferson Deputies William Emory and William Emerson Brooks, Richard Montonini, a dispatcher in the sheriff's office; Anthony Flowers, a former dollar a year special deputy who resigned Saturday, and Miss Judith Jordan of 133 Water St., Steubenville.

Also listed on the docket for today is Karen Brenat of Wintersville. Holdover witnesses include James Taylor, bartender - manager of the Waterford Bar on old Route 7 at the Yellow Creek underpass, and Rosemary Welch of Wintersville. They have been waiting since Friday.

Testifying yesterday were Joseph McKeever of Empire, a councilman who has been critical of the sheriff, and Mrs.

Bills To Seek Stiffer Mine Safety Law

Hechler And Dent Spurred By Recent Disaster In W.Va.

WASHINGTON (AP) — Two coal country congressmen say they'll introduce bills early next year to tighten up a federal mine safety law described as having "so many loopholes you could put barns through it."

Reps. Ken Hechler of West Virginia and John Dent of Pennsylvania, both Democrats, introduced identical administration-backed bills this year that got lost in the rush to adjournment.

Spurred by the tragic deaths of 78 miners in an explosion near Mannington, W. Va., last month, Hechler said he is preparing an even stiffer bill.

Dent told an interviewer he'll introduce the same measure, probably after subcommittee hearings in early February.

The two congressmen are the latest to add their voices to the outcry over mine safety following the explosion at Mountaineer Coal Co.'s No. 9 mine, ordered sealed last week after days of rescue operations indicated the trapped miners could not have survived.

President Johnson, in a statement issued from the Texas White House over the weekend, also called for tightening of mine safety laws.

The No. 9 tragedy, however, is an indication of the difficulty in trying to control hazards facing men in the pits.

W. A. "Tony" Boyle, president of the United Mine Workers, describes the Mountaineer Coal Co. as "one of the best companies as far as cooperation and safety are concerned."

Bus Driver Dies, 5 Children Hurt In Traffic Crash

NEW LEXINGTON, Ohio (AP) — The driver of a small van-type school bus was killed and all five children passengers were injured Monday when the bus and a truck collided headon near Crooksville.

Killed was Orville Hoover, 59, of Route 2, New Lexington.

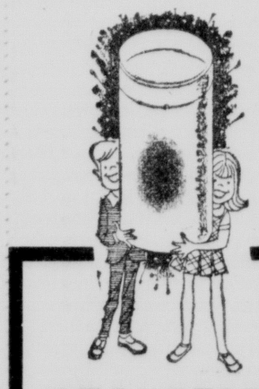

The Ohio Highway Patrol said the crash occurred on a curve along Ohio 93 in Perry County when the semi - trailer truck, driven by William McElfresh, 41, of Route 1, Roseville, went left of center.

County Prosecutor George W. Flautt said McElfresh was charged with vehicular homicide in the first degree and reckless operation. A hearing was set for Dec. 13 in Perry County Court.

The injured children are students at the Clayton School for Retarded Children in Perry County.

Listed in satisfactory condition at Good Samaritan Hospital in Zanesville, they are: Joyce Harris, 17, Moxahala; Betty Hazlett, 17, and her brother, Donny, 9, of Route 1 New Lexington; Mary Dyer, 12, Route 2, Crooksville, and Karen Cook, 13, Route 2, New Straitsville.

Bus Driver Dies, 5 Children Hurt In Traffic Crash

NEW LEXINGTON, Ohio (AP) — The driver of a small van-type school bus was killed and all five children passengers were injured Monday when the bus and a truck collided headon near Crooksville.

Killed was Orville Hoover, 59, of Route 2, New Lexington.

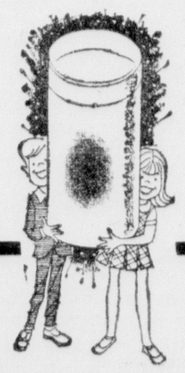

The Ohio Highway Patrol said the crash occurred on a curve along Ohio 93 in Perry County when the semi - trailer truck, driven by William McElfresh, 41, of Route 1, Roseville, went left of center.

County Prosecutor George W. Flautt said McElfresh was charged with vehicular homicide in the first degree and reckless operation. A hearing was set for Dec. 13 in Perry County Court.

The injured children are students at the Clayton School for Retarded Children in Perry County.

Listed in satisfactory condition at Good Samaritan Hospital in Zanesville, they are: Joyce Harris, 17, Moxahala; Betty Hazlett, 17, and her brother, Donny, 9, of Route 1 New Lexington; Mary Dyer, 12, Route 2, Crooksville, and Karen Cook, 13, Route 2, New Straitsville.

Muskox were exterminated in America because they never learned that the ring-of-bulls formation that warded off wolves successfully was useless against men with rifles.

Mayor Asks Study

Model Displayed On Parking Deck

Mayor George E. Willshaw displayed to Council Monday night a cardboard scale model of a proposed concrete deck that would add 105 spaces to the Ceramic Parking Lot.

Emphasizing that he was presenting the proposal for future study and not for immediate action, the mayor said the cost of the elevated structure has been estimated at $175,000 to $180,000, based on figures obtained in other cities which built similar decks.

The model was prepared by Architect James N. Porter of Urban Design Associates. It showed the deck covering the entire Ceramic lot area, extending from E. 4th St. to E. 3rd St. Concrete support piers would have sufficient strength that a second deck could be added, if it proved feasible, the mayor said.

—:—

THE AUTO spaces would be metered, so that parking fees would cover the cost of the project, Willshaw said. Mortgage revenue bonds could be issued to finance the construction, he explained.

The model showed a ramp leading to the second floor level from Church Alley, which bisects the present lot area from east to west. Access to the ramp also would be provided from E. 4th St. and Crook Alley, which parallels its eastern edge. The model also showed a flight of steps for pedestrians moving to and from the second deck.

Willshaw pointed out that investigation of elevated parking structures began about three months ago. Don Eckert, planning coordinator, studied multistory parking facilities in Ann Arbor, Mich., and Findlay and the mayor made a similar investigation at Youngstown.

"It's something for Council to think about," the mayor remarked. "Mr. Porter did a very fine job for us and finished the model more quickly than I had expected. It's something we can plan for in the future."

"I would advise against proceeding with definite plans until the Freeway extension plan is updated and we know exactly where the highway will be located," Willshaw added. The state has authorized a study to update a 1955 arterial highway study on extension of the Freeway from its present terminus at W. 3rd and Monroe Sts. into East End. E. and W. 3rd Sts. have been considered for part of the route.

—:—

IN OTHER business, Council enacted five pieces of routine legislation. The ordinances and resolutions provide for:

Creation of a new post of utility supplyman in the sewage department at a monthly salary of $462, complying with a request of the Board of Public Utilities.

Paying a $10.50 auto damage claim to Robert Carroll of Morton St.

Year-end fund transfers totaling $60,945, including $17,788 to the general fund; $3,368 to the police and fire departments, $1,408 to the Health Department; $426 to income tax department salaries; $31,270 to the general fund and $6,685 to the general fund.

Accepting a quit claim deed from the county to a tract of ground running south from Armstrong Ln., representing a street which was dedicated but never used.

Giving up the city's responsibility for financing and supervising the adult school crossing guard system, effective Dec. 31. The board of education is slated to take over the system.

Council requested legislation for its Dec. 16 meeting complying with two requests from the utilities board. They are: An $8,700 appropriation and authority to advertise for a new billing, remittance control and receipting machine for use in the water and sewage department office, and legislation authorizing the board to hire an engineering firm for preliminary planning on erection of a new million-gallon water storage tank on Henry Ave. Both proposals were explained to Council Nov. 18.

—:—

COUNCIL received a notice from the County Election Board that $958.30 will be withheld from the city's next tax settlement, representing the cost of East Liverpool voter registration, and that $586.82 will be deducted as the city's share of the cost of presenting a half-mill levy at the Nov. 5 general election.

Councilman James Lowe, reporting for the labor relations committee, said it will meet with members of Council Tuesday night at the mayor's office to discuss current negotiations with the fire and police departments.

Councilman Robert W. Sample said he received several complaints from persons who paid $10 penalties for parking in restricted areas.

"I have investigated those signs and I found out that they mean just what they say," Sample said. He said several were ticketed for parking too close to the entrance to City Hospital. But police said they checked the area "two or three times before issuing tickets," Sample said.

The meeting opened with invocation by Sample. Councilman Edward Massey was excused.

Party Arranged By Ruritan Club

Final arrangements were made for the Christmas party for retarded children at the Glenmoor fire station Monday when the Liverpool - Calcutta Ruritan Club board of directors met Monday night at the home of Theodore Appleby.

A pancake and sausage dinner was served to the present and newly - appointed officers and their wives by the host. New committees were announced for 1969.

The next board meeting will be Jan. 7 at the home of the president, Mike McFarlane.

City Hospital Treats 11 In Emergencies

A Wellsville man injured early today at work and a Hookstown girl burned when a furnace blew out were admitted to City Hospital, where nine were treated Monday.

Melvin Haddox of 807 Broadway, Wellsville, an employe of Airco, was "fairly good" today with a possible fracture of the right arm suffered when a chain slipped from a block at work.

Linda Lambka, daughter of William Lambka of Hookstown RD 1, was listed "satisfactory" with burns of the face, neck and body received in the furnace mishap Monday.

Treated were Mrs. William Shenton of Park Pl., a fractured left fifth toe on a cedar chest at home; Fred Brock of 1829 Smithfield St., an employe of the Ohio Brass Co., a contusion of the right hand when an insulator fell.

Heather Todd, daughter of Arthur Todd of 1325 Fairmont St., a laceration of the left hand in a fall on a glass jar; Mrs. Jess Pinney of 2016 Michigan Ave., abrasions of the right knee and right third and fifth fingers in a fall down steps outside a store on Market St.

James Hawk, son of Charles Hawk of Wellsville RD 2, a contusion of the left arm in a washer wringer; Sandra Zagula of 361 Orion Ave., Chester, an employe of the Taylor, Smith & Taylor Co., a possible fractured right fifth finger when caught between a setter and board.

David Evans, step-son of Jack L. Sprout of 506 Carolina Ave., Chester, a contusion of the chest during wrestling practice at Oak Glen High School; Mark Brookes, son of Ronald Brookes of Northside Ave., a fractured left wrist in a fall while roller skating.

Kenneth Robbins, son of Wayne Robbins of 302 Grant St., Newell, a laceration of the right leg on a piece of tin.

A Heritage Of Fatalism

Over the years, the public has come to accept coal mine disasters as inevitable tragedies. The words of officials — truthful only part of the time — that all possible precuations were taken to provide the widest feasible margin of miners are accepted by the public.

Then word of the Farmington, W. Va., disaster broke into bold headlines several days ago, it was a replay of previous disasters — only more men were involved than usual.

AT THE OUTSET, there was hope the men could be reached safely. As time passed and more explosions occurred deep in Consol Mine No. 9, hope leaped only in the hearts of loved ones who keep a patient vigil at the shaft site.

The sentiment of a sympathetic but detached public was put into words by West Virginia Governor Hewlett C. Smith who said: "What has occurred here is one of the hazards of being a miner."

Resignation to a lurking death deep in the black ribbons of coal is accepted by miners, their families, union men and company bosses, so the public cannot really be faulted for following their lead.

W. A. "Tony" Boyle, president of the United Mine Workers, speaking from the disaster site, complimented the Consolidation Coal Company of Pittsburgh, operators of No. 9, on being cooperative and safety conscious.

The company, second largest coal producer in the nation, does have a reputation within the industry for progressiveness and safety mindedness.

But it, like other giant mining operators, is not infallible.

Records have come to light that Consol's Farmington pits have been cited for safety violations in each of the 16 Bureau of Mines inspections over the past five years. No penalties were ever invoked.

Other information reveals two previous explosions in No. 9 took 20 lives in 1954 and 1955.

J. Cordell Moore, assistant secretary of the interior, flew to Farmington and then made this statemen: "We have tried our very best to make mines safe and I think the company has done all in its power to make the mine safe." He omitted any reference to the list of federal violations.

INTERIOR SECRETARY Stewart Udall, speaking from Washington, took a different approach to the problem when he said no one — management, union or government — has "done enough" in the safety area.

Mr. Udall described explosions like those at Farmington as "simply not acceptable."

The secretary was, in effect, indicting the government because safety regulations are the business of the U.S. Bureau of Mines.

The bureau either needs new regulations with teeth in the form of penalties, or it needs to get on the ball and enforce what it already has to work with.

It is inexcusable that miners are saddled with unnecessary dangers in an age of technological sophistication.

Hoping For Flexibility Era

One of many problems confronting the Nixon administration will be how to deal with Red China. The first opportunity for exploratory talks will be at the Feb. 20 meeting in Warsaw requested by the Chinese.

The conference proposal by Red China is being viewed with cautious optimism by Nixon men and as an important change in Chinese tactics by some diplomatic observers.

For the first time publicly, Red China called upon the United States to join an agreement on the five principles of peaceful coexistence.

THE FIVE PRINCIPLES, agreed upon by the late Prime Minister Jawaharlal Nehru of India and Premier Chou En-lai of China in 1954, include: mutual respect for each other's territorial integrity and sovereignty, mutual nonaggression, mutual noninterference in internal affairs, equality and mutual benefit and peaceful coexistence.

The proposal was linked to the long-standing Peking demand that the United States abandon its protection of Nationalist China on Taiwan and withdraw its military support.

The stress placed on coexistence impressed Western analysts who are evaluating the new diplomatic maneuvering. Just recently, the Chinese were denouncing peaceful coexistence as an American-Russian fraud. No one is venturing out on a limb into the incident an indication the Reds seek to cultivate a better world opinion rating.

The experts see the end of the "Cultural Revolution" and an embargo on vicious attacks on the United States and the United Nations as encouraging signs Red China may become easier to deal with.

The ambassador-level talks have been going on intermittently for 13 years without noticeable progress. With a new administration in Washington and a softer line from Red China, the possibility of finding some ground for agreement does not seem as remote as it once did.

The Nixon administration will proceed carefully in its negotiations with Red China which is the logical course to follow.

In March of 1964 Sen. J. W. Fulbright, D-Ark., chairman of the Senate Foreign Relations Committee, assessed the Red China problem in this manner:

"I do not think that the United States can or should recognize Communist China or acquiesce in it admission to the United Nations under present circumstances. It would be unwise to do so because there is nothing to be gained by it so long as the Peking regime maintains its attitude of implacable hostility toward the United States.

"I DO NOT BELIEVE, however, that this state of affairs is necessarily permanent. As we have seen in an astonishingly short time to close friendship; and as we have seen in our relations with China, the reverse can occur with equal speed.

"It is not impossible that in time our relations with China will change again, if not to friendship then perhaps to 'competitive coexistence.' It would therefore be an extremely useful thing if we could introduce an element of flexibility, or, more precisely, the capacity to be flexible, into our relations with Communist China."

The world will be waiting to see if the Feb. 20 session ushers in an era of flexibility.

It Is Mary . . .

It's easy to write about beauty. It's easy to write about talent. And it's doubly easy to write about both.

Mary Kennedy of Lisbon, who was crowned Columbiana County's 1969 "Junior Miss" over the weekend, is blessed with both beauty and talent.

The burden from now on rests with her as she advances to the state finals at Xenia. She will be competing with others about whom it's easy to write. We're confident Mary will meet the challenge.

Whatever the outcome, our congratulations to the charming girl who reigns as the new "Junior Miss" in Columbiana County and the best in future endeavors.

Needed: Grade 'A' Yeggs

By Art Buchwald

WASHINGTON — I know you're not going to believe this, but Gov. Lester Maddox of Georgia told a news conference the other day, in answer to criticism about Georgia prison reform, that "We're doing the best we can, and before we do much better, we're going to have to get a better grade of prisoner."

Art Buchwald

Once again, Gov. Maddox hit the ax handle on the head. While penologists, sociologists, parole officers and prison commissions all have been at odds as to how to rehabilitate prisoners, Maddox has come up with the simplest and, without doubt, most sensible solution.

It has been known for years that prisons have been accepting a very low-class type of inmate, some without any education, others who are unstable and some who are just plain antisocial.

NO EFFORT has been made to attract a better grade of prisoner who would not only improve the caliber of our rehabilitation programs but would also make society treat prisoners with the respect they deserve. For too long now we've been taking our prisoners for granted, and the standard for convicted felons has declined to a point where almost anyone can get into prison without his qualifications being questioned.

The trend must be reversed if we ever hope to rehabilitate our prisoners. The first thing to do would be to set up a recruiting drive in high schools and colleges to get a better class of inmate. This would have to be coupled with higher pay for prisoners, so being behind bars would become worthwhile.

INTELLIGENCE TESTS have to be set up at prisons to weed out those unfit to be imprisoned. Then personal interviews would be given to the prospective convicts to see if they've got what it takes to be rehabilitated. If they can't cut the mustard, then the prison should have the right to reject them.

Besides the tests and the interviews, the admissions board would demand references from the candidates to see that the convicted were of high moral character.

It's also possible, in the case of federal prisons, that each congressman and senator could recommend two candidates for each penitentiary, as they do to West Point and Annapolis. In the case of state prisons, the governor could select the ones he believes have the most on the ball.

After making the application, taking his tests, submitting to a personal interview and writing a composition telling why he believes he would make a good prisoner, the candidate would be sent home and told he would be notified by the FBI about whether he made it or not. If he failed to get in, the candidate could reapply again — after he robbed another bank.

I'M SURE THAT Gov. Maddox will be ridiculed for his ideas on prison reform, but he is the first person to come along and point out what is wrong with the penal system in this country. It isn't the courts, nor is it the physical facilities holding us back, but the fact that we have not concentrated on improving the quality of the people we take in.

Anyone who has ever visited a prison in this country knows that Gov. Maddox is right. For years we have been scraping the bottom of the barrel for inmates, and it's no wonder they don't live up to our expectations.

Strike Fever Hits Nation

NEW YORK — Of late, some of our most global-minded leaders have had to spend as much time handling strikes at schools, insane asylums and garbage dumps, as juggling national, international and celestial crises.

Victor Riesel

Strike fever is rampaging through this country like the Hong Kong flu — Richard Nixon, war or no war, will not be immune.

Not yet sworn in, he's being sworn at. Some union chiefs are wondering just how tough he'll get when he gets to his Oval Room desk and discovers he's taken the presidency amid a triple crisis — threats of transportation paralysis on the land, on the sea and in the air.

The President-elect would do well these next few weeks to wander west a mile or so and look over New York's waterfront. This may well be his first home front battle line. It was for John Kennedy. And for Lyndon Johnson.

Dick Nixon may get "the hook" as well.

Led by a couple of fighting fellows whose tactics would have driven the British beyond the pale centuries earlier, the International Longshoremen's Assn. (AFL-CIO) plans to pull out its 75,000 dockwallopers just five days before Christmas. They rarely fail to walk out. In seven contract negotiations, they've struck seven times.

GETTING THEM BACK will be as tough as recorking a bottle of champagne. No one fazes old-timer Teddy Gleason or Johnny Bowers, the "new breed." Certainly not Presidents of the U.S., and not even the gentle persuader and adviser to Presidents, conciliator David Cole.

When the table-banging, jungle-jargoned ILA President "Teddy" and the soft-voiced, steel-toned Executive Vice President "Johnny" lead their men out — the strike rolls and rolls. Last time, the stoppage went for over a month and cost the nation at least $3 billion in lost trade. This time Johnny Bowers tells me it will go longer — "definitely into the Nixon administration."

All this hasn't calmed President Johnson's era-end nerves. That financial crisis abroad has the White House as jittery as the franc and the pound. The President does not want history to note that he left the office with a legacy of strife and a rocky dollar.

His intensity, though obscured by turbulence abroad, is reflected in his dispatch of the self-effacing Dave Cole as the ambassador to the New York waterfront. But even the magisterial conciliator Cole may be able to do but little.

Point is that though few have noticed, and many someday will suddenly awaken to the fantastic fact, America's "waterfront" is disappearing. And with it will go the longshoreman and his emblem, "the hook."

SOON, SAY Teddy and Johnny, there may be just two or three ports left — New York, Norfolk and perhaps New Orleans on the Atlantic and Gulf Coasts. Just as the pregnant word "automation," with little notice, swung into our glossary back in 1954, so the word "containerization" is here to stay now that it's 1969, almost.

Nothing complex about it. Say you want to ship some tonnage from the heart of Europe to Chicago. You get the crates to Basle, Switzerland. There they are locked with other freight in a huge metal container. This is trucked or piggybacked by rail to Rotterdam. Then it is slung onto a special ship which steams swiftly to New York.

From here, it is piggybacked to Chicago. There the seal is broken for the first time. Then the shipments are parceled out and delivered — all with virtually no moved by human hands. And all in 12 to 14 days.

There will be no need for such ports as Boston, Baltimore, etc., say the longshoremen gloomily. And so they want all sorts of guarantees. They want the right to "strip" such containers and repackage them. They want the right to travel inland and load them at points even 50 miles from the docks. They want a guarantee of 2080 hours work a year — practically a guaranteed annual wage. They want over $4 an hour for a six-hour day and special time for overtime.

They want a $300-a-month pension. More holidays, bereavement pay, etc.

THE EMPLOYERS RETORT that they'll guarantee the work year — if the union will permit cutting three men from each 18-man work gang, and if the gangs will shift from one pier to another in the harbor. The shippers charge that under the present work year guarantee of 1600 hours, some longshoremen sit idly on one pier while men are desperately needed on another a mile away.

Meanwhile, the independent West Coast longshoremen have been calling their Eastern rivals and suddenly pledging support. They too will have a containerization problem soon, though they say they've solved theirs. So ILA leaders here believe there's a possibility of a three-coast strike — paralyzing everything from Maine to Washington. And there's a war on.

And as the longshoremen's strike picks up tension by bottling up some 950 ships, the Machinists will threaten to strike commercial airlines (remember?) and shop craft unions will attack on the rail front.

At this moment, Richard Nixon will be preparing his State of the Union Message. His party is pledged to a disciplined position on such emergency strikes. The Congress will be in a mood to pass compulsory settlement laws.

Selection Of Justices

Since the American people have been hearing a good deal in recent months about the way justices are chosen for the Supreme Court, there is likely to be a re-examination of the process by which the members of the high court are selected.

It is surprising that the demand for reform has been given so little attention up to now. Presidents have nominated personal friends or former colleagues or individuals who have played a conspicuous part in political campaigns. Appointments to the supreme court have come to be treated just like those for any other federal office — as political plums.

SENATOR SAM. J. ERVIN, Democrat of North Carolina, who himself served on the highest court of his own state, has proposed that future justices of the Supreme Court of the United States be nominated from a list prepared by a conference of the presiding judge of each of the 50 state supreme courts and the chief judge of each of the nine federal Circuit Courts of Appeal.

He has written all members of Congress declaring he plans to introduce a constitutional amendment to bring about such a modification because the justices are "being allowed, with increasing frequency, to seriously change the economic, social and political direction of our nation."

Ervin's idea is that, when a vacancy occurs on the Supreme Court, the national conference of judges would submit five names to the president and he would be limited to that group in the making of his appointment, which would be, as is customary, subject to Senate confirmation.

Ervin expressed the view that this procedure would "make it as certain as possible that members of the Supreme Court will not be chosen on the basis of personal friendship with the president, political service rendered to the political party in power or past association with politically potent groups."

While the subject arose when the nomination of Justice Abe Fortas to be chief justice was blocked in the Senate, this was not the first occasion in which a close political friend of a president was nominated to be a member of the Supreme Court. Again and again throughout history appointments of politically prominent personalities have been made.

Earl Warren, who was governor of California and had run as vice president on the unsuccessful Republican ticket in 1941, was chosen by President Eisenhower as chief justice of the high court. The recommendations which influenced the president then were those given him by his close political associates.

Some of the present justices never had any experience at all on the bench before they were appointed. Many lawyers have been saying for years there are men and women on the bench in state courts and lower federal courts who have distinguished themselves and would be well qualified for service on the high court.

When a president nominates someone for the Supreme Court, his own party usually goes along with the appointment and rarely is there a controversy raised. If there is dissent, it is usually because of a belief that the nominee has a particular philosophy or ideology which he is likely to follow in making decisions.

IF THE CHIEF JUDGES of the state supreme courts and a group of experienced federal judges, however, got together and picked a list of five potential appointees, there would be a better chance of getting an impartial court than the American people have under the present system of selecting justices.

The nation has suffered for many decades now because several members of the high court have misconstrued their function and become super-legislators. Instead of basing decisions on what the Constitution really says, some justices have shown a tendency to read into it what they feel it ought to have said. This method of rewriting the Constitution has been due largely to the political-type justices who have been appointed to the Supreme Court.

Unquestionably public opinion would favor objective treatment of constitutional provisions and the established precedents. If these fail to meet the needs of changing times, the Constitution can always be amended by the people, as provided by the founding fathers.

A Heritage Of Fatalism

Over the years, the public has come to accept coal mine disasters as inevitable tragedies. The words of officials — truthful only part of the time — that all possible precuations were taken to provide the widest feasible margin of miners are accepted by the public.

Then word of the Farmington, W. Va., disaster broke into bold headlines several days ago, it was a replay of previous disasters — only more men were involved than usual.

AT THE OUTSET, there was hope the men could be reached safely. As time passed and more explosions occurred deep in Consol Mine No. 9, hope leaped only in the hearts of loved ones who keep a patient vigil at the shaft site.

The sentiment of a sympathetic but detached public was put into words by West Virginia Governor Hewlett C. Smith who said: "What has occurred here is one of the hazards of being a miner."

Resignation to a lurking death deep in the black ribbons of coal is accepted by miners, their families, union men and company bosses, so the public cannot really be faulted for following their lead.

W. A. "Tony" Boyle, president of the United Mine Workers, speaking from the disaster site, complimented the Consolidation Coal Company of Pittsburgh, operators of No. 9, on being cooperative and safety conscious.

The company, second largest coal producer in the nation, does have a reputation within the industry for progressiveness and safety mindedness.

But it, like other giant mining operators, is not infallible.

Records have come to light that Consol's Farmington pits have been cited for safety violations in each of the 16 Bureau of Mines inspections over the past five years. No penalties were ever invoked.

Other information reveals two previous explosions in No. 9 took 20 lives in 1954 and 1955.

J. Cordell Moore, assistant secretary of the interior, flew to Farmington and then made this statemen: "We have tried our very best to make mines safe and I think the company has done all in its power to make the mine safe." He omitted any reference to the list of federal violations.

INTERIOR SECRETARY Stewart Udall, speaking from Washington, took a different approach to the problem when he said no one — management, union or government — has "done enough" in the safety area.

Mr. Udall described explosions like those at Farmington as "simply not acceptable."

The secretary was, in effect, indicting the government because safety regulations are the business of the U.S. Bureau of Mines.

The bureau either needs new regulations with teeth in the form of penalties, or it needs to get on the ball and enforce what it already has to work with.

It is inexcusable that miners are saddled with unnecessary dangers in an age of technological sophistication.

Hoping For Flexibility Era

One of many problems confronting the Nixon administration will be how to deal with Red China. The first opportunity for exploratory talks will be at the Feb. 20 meeting in Warsaw requested by the Chinese.

The conference proposal by Red China is being viewed with cautious optimism by Nixon men and as an important change in Chinese tactics by some diplomatic observers.

For the first time publicly, Red China called upon the United States to join an agreement on the five principles of peaceful coexistence.

THE FIVE PRINCIPLES, agreed upon by the late Prime Minister Jawaharlal Nehru of India and Premier Chou En-lai of China in 1954, include: mutual respect for each other's territorial integrity and sovereignty, mutual nonaggression, mutual noninterference in internal affairs, equality and mutual benefit and peaceful coexistence.

The proposal was linked to the long-standing Peking demand that the United States abandon its protection of Nationalist China on Taiwan and withdraw its military support.

The stress placed on coexistence impressed Western analysts who are evaluating the new diplomatic maneuvering. Just recently, the Chinese were denouncing peaceful coexistence as an American-Russian fraud. No one is venturing out on a limb into the incident an indication the Reds seek to cultivate a better world opinion rating.

The experts see the end of the "Cultural Revolution" and an embargo on vicious attacks on the United States and the United Nations as encouraging signs Red China may become easier to deal with.

The ambassador-level talks have been going on intermittently for 13 years without noticeable progress. With a new administration in Washington and a softer line from Red China, the possibility of finding some ground for agreement does not seem as remote as it once did.

The Nixon administration will proceed carefully in its negotiations with Red China which is the logical course to follow.

Selection Of Justices

Since the American people have been hearing a good deal in recent months about the way justices are chosen for the Supreme Court, there is likely to be a re-examination of the process by which the members of the high court are selected.

It is surprising that the demand for reform has been given so little attention up to now. 60 Days Granted Man To Comply In Property Case

Municipal Judge Samuel M. Chertoff today granted a 60-day continuance in the case of a Pleasant Heights man accused of failure to comply with an order to tear down or repair a property on W. 2nd St.

Harold Diddle of 1209 Northside Ave. was haled before the court on an affidavit alleging he failed to comply with the cheif's order, covering a two-story brick dwelling at 100-102 W. 2nd St. which he owns. The affidavit, filed Monday, said the order was served on Diddle April 26. The court entered a not guilty plea for the defendant.

Diddle told the court a fire occurred in the property damaging "four rooms in the rear." After he was served with the order, he said, he tore down part of the property and boarded up the balance.

"The inside is all burned out," the chief told the judge. The unoccupied property is a hazard to children who play there, he added.

The judge remarked it was obvious Diddle had not complied with the chief's order. Then he granted Diddle the 60 days to tear down or remodel the property. He set the case for Feb. 3.

2 Contracts Let At East Palestine

EAST PALESTINE — Contracts for a fire truck chassis and equipment were awarded during a meeting of Council Monday night.

Neil Ford of East Palestine was awarded the contract for the chassis on a bid of $9,123. The fire equipment contract was received by the Howe Fire Apparatus Co. of Anderson, Ind., on a bid of $45,480. The delivery date has been set at 13 months on the 65-foot aerial ladder truck.

The Board of Health was appropriated $200 on an emergency basis to cover anticipated expenses throughout the remainder of the year, owing to school mass clinics.

A total of $8,000 also was appropriated for use in housing and connecting a new diesel standby generator. Half the amount will be used for erecting a steel building to shelter the generator. The remainder will be utilized in the connection to the power plant.

Charles Pike Heads Group

LISBON — Charles Pike was elected president of the Lisbon Teachers Association and the Community Scholarship Foundation for a two-year term Monday night at the high school. He succeeds Allen Dickey.

Dr. Edward S. Toolis was elected vice president and Miss Dorothy Cameron was named to the board of trustees.

The board reappointed Mrs. Alfred Steele, secretary, and William Haifley, treasurer.

Reporting to the bi-annual election meeting, Haifley said the foundation has loans of $8,840 outstanding. Five of the seven recipients are still in school.

Contributions to the scholarship fund the last two years totaled $1,890 and repayments on loans $1,602. The current balance is $432.

2 Pay $20 Fines On Speed Cases

Two drivers cited on speeding charges Nov. 26 on the East Liverpool - Wellsville Rd. were fined $20 and costs today by Municipal Judge Samuel M. Chertoff.

Both "clocked" with the aid of a light aircraft circling overhead, the defendants were listed as Frank Fife of 357½ Main St., Wellsville, and David Campbell of Wellsburg. Fife was accused of driving 75 miles an hour in the 60-mile zone and Campbell was charged with speeding 70.

Meanwhile, Theodore Lindsay Jr. of Beaver Falls RD 1 forfeited a $160.50 bond on a charge of driving a truck with a load 6,400 pounds in excess of the legal limit. He was cited by the patroi Nov. 20 on Route 7.

Truck, Car Involved In Route 7 Mishap

No one was injured in a truck-car accident on the Wellsville - East Liverpool Rd. just north of the Wellsville city limits Monday afternoon at 4:30.

The Ohio Highway Patrol at Lisbon said John C. Bonace, 46, of Lowellville was driving a tractor-trailer north in the right lane and Dollie B. Eastman, 42, of 420 Gardendale Ave. was driving a 1964 coach north in the left lane.

The Eastman woman applied the brakes on her auto when a car in front of her halted and her auto skidded into the right lane, striking the left front of the truck.

ation and the Ohio High School Athletic Association hopefully will be represented."

Meanwhile, during a general teachers' meeting yesterday afternoon at Westgate, Supt. Paul Blair declared: "If you are questioned, all I ask is that you be honest."

"Classroom instruction is the most important part of education and we must not lose sight of this," he told the teachers.

"We are coming to grips with the problem. It is not to patch up—but to re-do."

Blair said he does not know the procedure to be followed in the study, but asked that all cooperate.

"We are not meeting the challenge of education as long as we spend so much time solving personality conflicts. No one involved in a controversy is 100 per cent right."

He said he is not pleased that the students had to be involved in faculty disagreements, but that the accusations must be verified and questions must be asked and answered.

"Our greatest pitfall," Blair continued, "is wanting to have our own way. It seems today we seek strikes, professional study days, sick days, if we do not get our own way. Everyone seems to be action orientated.

"No action should be taken without thinking about it. We have asked for the study in order that we may have time to think. A change is imperative, but it must be studied logically."

Blair concluded his remarks to the 344 teachers by saying that "no one person can run an individual school program, no one person can run a teachers' organization, no one person can run an administration, no one person can run a board of education, and in fact, no one person can run a community.

"We have the future citizens of our city in our hands to educate. How do you want to be remembered by the students you teach? Classroom instruction merits our attention more than anything else."

Meanwhile, Theodore Lindsay Jr. of Beaver Falls RD 1 forfeited a $160.50 bond on a charge of driving a truck with a load 6,400 pounds in excess of the legal limit. He was cited by the patrol Nov. 20 on Route 7.

Truck, Car Involved In Route 7 Mishap

No one was injured in a truck-car accident on the Wellsville - East Liverpool Rd. just north of the Wellsville city limits Monday afternoon at 4:30.

The Ohio Highway Patrol at Lisbon said John C. Bonace, 46, of Lowellville was driving a tractor-trailer north in the right lane and Dollie B. Eastman, 42, of 420 Gardendale Ave. was driving a 1964 coach north in the left lane.

The Eastman woman applied the brakes on her auto when a car in front of her halted and her auto skidded into the right lane, striking the left front of the truck.

Actor Robert Taylor Has Cancer In Lung

HOLLYWOOD (AP) — Actor Robert Taylor, known for his strikingly good looks and forceful, low-key performance, is suffering from cancer in his right lung, his wife said today.

"He has known of it for some time," added his wife of 14 years, actress Ursula Theiss.

Surgeons discovered the cancer after removing most of Taylor's right lung Oct. 8 because of a fungus infection known as valley fever.

Charles Pike Heads Group

LISBON — Charles Pike was elected president of the Lisbon Teachers Association and the Community Scholarship Foundation for a two-year term Monday night at the high school. He succeeds Allen Dickey.

Dr. Edward S. Toolis was elected vice president and Miss Dorothy Cameron was named to the board of trustees.

The board reappointed Mrs. Alfred Steele, secretary, and William Haifley, treasurer.

Reporting to the bi-annual election meeting, Haifley said the foundation has loans of $8,840 outstanding. Five of the seven recipients are still in school.

Contributions to the scholarship fund the last two years totaled $1,890 and repayments on loans $1,602. The current balance is $432.

Officers Named By Masonic Unit

Ed Williams was elected worshipful master when John Washington Masonic Lodge 92 met Monday in the lodge home on Locust St.

Also named were Anderson Abbott, senior warden; Orin Smith Jr., junior mason; Caesar Peters Sr., secretary; Richard Carter, treasurer; C. M. Traver Jr., senior deacon; Fred Jones, junior deacon; Byron Carter, senior steward; Art Peters, junior steward; the Rev. Moses Bishop, chaplain, and Orin Smith Sr., organist.

A report was given on a recent fish fry.

Plans were made to celebrate St. John's Day either Dec. 22 or Jan. 5. Final plans will be announced.

Area Resident Jailed After Morals Charge

A Wellsville area man is being held in Midland jail today on a morals charge of "solicitation."

Midland police said Lloyd Wollenberg, 51, of Wellsville RD 1 was arrested Monday night when he attempted to molest two minor girls from Midland and Industry on Midland Ave.

Chief Vincent D'Itri said quick action by the girls in notifying police led to the apprehension of the man.

ation and the Ohio High School Athletic Association hopefully will be represented."

Meanwhile, during a general teachers' meeting yesterday afternoon at Westgate, Supt. Paul Blair declared: "If you are questioned, all I ask is that you be honest."

"Classroom instruction is the most important part of education and we must not lose sight of this," he told the teachers.

"We are coming to grips with the problem. It is not to patch up—but to re-do."

Blair said he does not know the procedure to be followed in the study, but asked that all cooperate.

"We are not meeting the challenge of education as long as we spend so much time solving personality conflicts. No one involved in a controversy is 100 per cent right."

He said he is not pleased that the students had to be involved in faculty disagreements, but that the accusations must be verified and questions must be asked and answered.

"Our greatest pitfall," Blair continued, "is wanting to have our own way. It seems today we seek strikes, professional study days, sick days, if we do not get our own way. Everyone seems to be action orientated.

"No action should be taken without thinking about it. We have asked for the study in order that we may have time to think. A change is imperative, but it must be studied logically."

Blair concluded his remarks to the 344 teachers by saying that "no one person can run an individual school program, no one person can run a teachers' organization, no one person can run an administration, no one person can run a board of education, and in fact, no one person can run a community.

"We have the future citizens of our city in our hands to educate. How do you want to be remembered by the students you teach? Classroom instruction merits our attention more than anything else."

Suspended Term Given Local Man For Ware Theft

Wilber Congrove of 113 W. Center Ln., a former employe of the Hall China Co., was given a suspended 90-day County Jail term and fined $50 and costs when he pleaded guilty today before Municipal Judge Samuel M. Chertoff on a charge of stealing three automatic electric coffee urns from his employer Saturday.

The charges were filed by Ralph George, packing foreman at the pottery, who placed the value of the coffee urns at $13.95 each, a total of $41.85. The court suspended the jail sentence after hearing a plea in mitigation from G. William Brokaw, Congrove's counsel.

Brokaw pointed out that Congrove lost his job as a result of the incident. An apprentice packer, he carried the three urns outside the plant but "changed his mind and was going in the front door to return them when he was caught," the attorney said. He said Congrove and his wife have one child and are expecting another.

In pronouncing sentence, the judge remarked that in the future "the court will not be so lenient with any employe of a pottery or other business" who is convicted of a theft. "I want others to understand that," the judge remarked. In suspending Congrove's jail term, he warned the man to obey all laws of Ohio and East Liverpool and "be of good behavior."

Gas Rate

(Continued from Page 1)

accident more than a week ago.

Cox pointed out that the former rate ordinance expired June 16, 1967. However, its terms have been continued pending agreement on a new rate. By delaying the raise sought by the company for 18 months, Council has saved East Liverpool consumers $160,000, Cox said.

—:—

A COUNCIL committee negotiated with the gas company throughout the last half of 1967 and finally recommended enactment of an ordinance that would grant the utility a rate hike averaging out to 12.33 per cent. It was enacted. That Council left office on Dec. 31, 1967, and the present Council repealed the rate ordinance shortly after assuming office, promising to come up with a better alternative.

The next rate ordinance provided for a boost of 11.88 per cent, averaged over four years, but it failed when it came up for final passage last March. Since that time the rate question has been virtually dormant.

In his appearance before the caucus session last night, Cox told Council: "My primary reason for being here is to see if Council will pass the rate ordinance that was rejected in March. If so, the company will not file the application for an increase which it has prepared for the PUCO."

Cox said the rate request in the PUCO application would mean an additional $74,000 a year for East Liverpool consumers, compared with the rejected ordinance. Over a four-year span, it would cost local consumers $297,000 more, compared with the ordinance which was turned down, he said. The Ohio Valley application seeks a 7 per cent return on its East Liverpool investment, he explained.

Kapp pointed out a recent study made by the PUCO at Council's request showed the company earned 3.49 per cent on its investment here, based on 1967 figures. He said he expects the PUCO would grant the company a 6.2 per cent rate of return, just short of the 7 per cent the company seeks.

—:—

AFTER reviewing the negotiations and the company's actions, Kapp told Council: "It all boils down to this: There is no doubt the company will be granted a significant increase by the PUCO. It will be above what was called for in the ordinance. I would recommend that Council accept the four - year package to save the citizens money. The delay of 18 months already has saved consumers considerable money."

Kapp said if an application is filed with the PUCO, it probably would not be acted on for 60 to 120 days.

Cox commented that enactment of the rate ordinance would mean a 60-day lag before consumers actually were billed at the higher rate. He said there would be a 30-day wait before the ordinance became effective and another 30-day lag before the charges appeared on customers' bills.

Jury

(Continued from Page 1)

Helen Bordine, owner of the Gay Nineties nightclub south of Toronto.

The charges were leveled against Sheriff Wells by his brother-in-law, Kenneth Swiger, 41, of Toronto RD 1, who told Jefferson County commissioners that a deputy sheriff escort has been provided the womam manager of the alleged house of prostitution.

He testified Friday and again yesterday. He also had told commissioners he believes funds in the sheriff's department are not being handled properly.

A total of 20 witnesses has been subpoenaed to date, but three, all women, have not been located.

Sources say the Ohio attorney general's office and police officials of Steubenville have been making quiet inquiries into the case.

Prosecutor Domonick E. Ollvito says he has not called on other agencies, but that he understands they have been making inquiries. He said he plans to contact the attorney general.

In making the charges, Swiger told officials that Miss Jordan was manager of the disorderly house. He said deputy sheriffs had escorted her from the house, adding he had been there himself in the cruiser.

Jury Acquits Man On Auto Theft Charge

LISBON — Arnold E. Adkins, 33, of 735 Valley Ave., East Liverpool, was acquitted of a charge of auto theft this morning by a Common Pleas Court jury.

Judge Raymond S. Buzzard directed the verdict because the defendant had no opportunity to confront and question his accuser — Ronald J. Lewis of 1022 Ephriam St., the owner of the car at the time of the alleged theft. Lewis is in Arizona.

The judge said he found a Supreme Court of Ohio case yesterday afternoon which compares closely with the case at trial. Based on it, he ordered the police record of Lewis' stolen car report withdrawn from the evidence. This left the state without any evidence the car was stolen in Columbiana County.

On the jury sworn in Monday are Leona Diddle, Rose White, Kathleen Wolfe, Jean Gerace, Grace Hadgett, Anna H. Waite and Kathy C. Birch, East Liverpool; Loma Conn, Lisbon; Melvin G. Welling, Leetonia; Rae M. Cope and Eileen Dowd, both of Columbiana, and Gustave Schuster, Salem.

Three Renamed To Posts With Planning Group

LISBON — County commissioners reappointed three members of the Regional Planning Commission Monday for three-year terms.

They are Sharon Quigley of East Liverpool, member-at-large; E. J. Willhelm of Salem RD 3, representing Salem, Center and Hanover Townships, and H. D. Reed of Russell Heights, Wellsville, representing Yellow Creek, Wayne and Washington townships.

On recommendation of the County Investment Board, the commissioners directed the county treasurer to invest $750,000 of active funds in U. S. Treasury bonds for a 30-day period.

Charles J. Gause, chairman of the commissioners, is in Columbus for the annual joint meeting of the county commissioners' and county engineers' associations today through Thursday.

Court 'Rewards' Diver Who Aided In Hunt For Auto

A suspension of fines on two traffic charges may be the only reward Robert J. Prescott of 212 Jackson St. will receive from the city for help in retrieving a sunken auto from the Ohio River Sunday.

Prescott, cited Saturday night at Dresden Ave. and Grant St., was shown leniency this morning when he appeared before Municipal Judge Samuel M. Chertoff on charges of operating an unsafe auto and failure to display registration plates on the car.

Prescott was credited Sunday as the skindiver who hooked a line onto the sunken car after it had been located with grappling hooks.

"Are you the man who helped recover the car from the river and who was paid nothing for his services?" the judge asked Prescott. Prescott replied "yes" to both questions.

"Such a public service is entitled to some consideration from the court," the judge remarked. Prescott told the court he expects to repair his auto and obtain proper registration for it.

The judge then decreed two fines totaling $35 and costs, but suspended both.

Board Retains Same Officers

The president and vice president were re-elected during a reorganization of the Western Beaver County Board of Education Monday night following the regular business session.

Returned were Richard Graham of the TV Tower Rd., president, and Olen Gibson of Fairview, vice presdent.

Meetings will be held the first Monday of each month at 8 p.m.

During the business session, permission was granted for kindergarten, first and second grades to visit Old Economy at Ambridge for a special Christmas program.

The secretary was authorized to purchase school supplies totaling $6,918. Girl Scout Troop 273 will use the Fairview School each Tuesday from 2:30 to 4:30 p.m. for meetings.

Bills totaling $91,507 were ordered paid. Of this amount, $64,518 is for salaries and $4,942 for cafeteria.

The next meeting will be Jan. 6.

Some 450,000 gray squirrels marched across Wisconsin in 1842, "devouring on their way everything that is suited to their taste," an observer wrote.

Mobile Crane And Car Involved In Collision

An auto and a piece of equipment known as a mobil crane were involved in an unusual traffic mishap Monday on Market St. 50 feet south of 6th St., police reported.

The collision involved a 1967 model station wagon driven by Aleen Elizabeth Braslawsce, 28, of Valley Dr., RD 3, and a 1958 model mobil crane owned by Mike Pusateri of Hampton Court and operated by Ronald Talbot, 27, of W. 3rd and Jefferson Sts.

Both vehicles were backing on Market St. toward 5th St. when the mobil crane bumped the auto, damaging its hood and grill, police said. The crane was undamaged.

Suspended Term Given Local Man For Ware Theft

Wilber Congrove of 113 W. Center Ln., a former employe of the Hall China Co., was given a suspended 90-day County Jail term and fined $50 and costs when he pleaded guilty today before Municipal Judge Samuel M. Chertoff on a charge of stealing three automatic electric coffee urns from his employer Saturday.

The charges were filed by Ralph George, packing foreman at the pottery, who placed the value of the coffee urns at $13.95 each, a total of $41.85. The court suspended the jail sentence after hearing a plea in mitigation from G. William Brokaw, Congrove's counsel.

Brokaw pointed out that Congrove lost his job as a result of the incident. An apprentice packer, he carried the three urns outside the plant but "changed his mind and was going in the front door to return them when he was caught," the attorney said. He said Congrove and his wife have one child and are expecting another.

In pronouncing sentence, the judge remarked that in the future "the court will not be so lenient with any employe of a pottery or other business" who is convicted of a theft. "I want others to understand that," the judge remarked. In suspending Congrove's jail term, he warned the man to obey all laws of Ohio and East Liverpool and "be of good behavior."

Gas Rate

(Continued from Page 1)

accident more than a week ago.

Cox pointed out that the former rate ordinance expired June 16, 1967. However, its terms have been continued pending agreement on a new rate. By delaying the raise sought by the company for 18 months, Council has saved East Liverpool consumers $160,000, Cox said.

—:—

A COUNCIL committee negotiated with the gas company throughout the last half of 1967 and finally recommended enactment of an ordinance that would grant the utility a rate hike averaging out to 12.33 per cent. It was enacted. That Council left office on Dec. 31, 1967, and the present Council repealed the rate ordinance shortly after assuming office, promising to come up with a better alternative.

The next rate ordinance provided for a boost of 11.88 per cent, averaged over four years, but it failed when it came up for final passage last March. Since that time the rate question has been virtually dormant.

In his appearance before the caucus session last night, Cox told Council: "My primary reason for being here is to see if Council will pass the rate ordinance that was rejected in March. If so, the company will not file the application for an increase which it has prepared for the PUCO."

Cox said the rate request in the PUCO application would mean an additional $74,000 a year for East Liverpool consumers, compared with the rejected ordinance. Over a four-year span, it would cost local consumers $297,000 more, compared with the ordinance which was turned down, he said. The Ohio Valley application seeks a 7 per cent return on its East Liverpool investment, he explained.

Kapp pointed out a recent study made by the PUCO at Council's request showed the company earned 3.49 per cent on its investment here, based on 1967 figures. He said he expects the PUCO would grant the company a 6.2 per cent rate of return, just short of the 7 per cent the company seeks.

—:—

AFTER reviewing the negotiations and the company's actions, Kapp told Council: "It all boils down to this: There is no doubt the company will be granted a significant increase by the PUCO. It will be above what was called for in the ordinance. I would recommend that Council accept the four - year package to save the citizens money. The delay of 18 months already has saved consumers considerable money."

Kapp said if an application is filed with the PUCO, it probably would not be acted on for 60 to 120 days.

Cox commented that enactment of the rate ordinance would mean a 60-day lag before consumers actually were billed at the higher rate. He said there would be a 30-day wait before the ordinance became effective and another 30-day lag before the charges appeared on customers' bills.

Jury

(Continued from Page 1)

Helen Bordine, owner of the Gay Nineties nightclub south of Toronto.

The charges were leveled against Sheriff Wells by his brother-in-law, Kenneth Swiger, 41, of Toronto RD 1, who told Jefferson County commissioners that a deputy sheriff escort has been provided the womam manager of the alleged house of prostitution.

He testified Friday and again yesterday. He also had told commissioners he believes funds in the sheriff's department are not being handled properly.

A total of 20 witnesses has been subpoenaed to date, but three, all women, have not been located.

Sources say the Ohio attorney general's office and police officials of Steubenville have been making quiet inquiries into the case.

Prosecutor Domonick E. Ollvito says he has not called on other agencies, but that he understands they have been making inquiries. He said he plans to contact the attorney general.

In making the charges, Swiger told officials that Miss Jordan was manager of the disorderly house. He said deputy sheriffs had escorted her from the house, adding he had been there himself in the cruiser.

Jury Acquits Man On Auto Theft Charge

LISBON — Arnold E. Adkins, 33, of 735 Valley Ave., East Liverpool, was acquitted of a charge of auto theft this morning by a Common Pleas Court jury.

Judge Raymond S. Buzzard directed the verdict because the defendant had no opportunity to confront and question his accuser — Ronald J. Lewis of 1022 Ephriam St., the owner of the car at the time of the alleged theft. Lewis is in Arizona.

The judge said he found a Supreme Court of Ohio case yesterday afternoon which compares closely with the case at trial. Based on it, he ordered the police record of Lewis' stolen car report withdrawn from the evidence. This left the state without any evidence the car was stolen in Columbiana County.

On the jury sworn in Monday are Leona Diddle, Rose White, Kathleen Wolfe, Jean Gerace, Grace Hadgett, Anna H. Waite and Kathy C. Birch, East Liverpool; Loma Conn, Lisbon; Melvin G. Welling, Leetonia; Rae M. Cope and Eileen Dowd, both of Columbiana, and Gustave Schuster, Salem.

Three Renamed To Posts With Planning Group

LISBON — County commissioners reappointed three members of the Regional Planning Commission Monday for three-year terms.

They are Sharon Quigley of East Liverpool, member-at-large; E. J. Wilhelm of Salem RD 3, representing Salem, Center and Hanover Townships, and H. D. Reed of Russell Heights, Wellsville, representing Yellow Creek, Wayne and Washington townships.

On recommendation of the County Investment Board, the commissioners directed the county treasurer to invest $750,000 of active funds in U. S. Treasury bonds for a 30-day period.

Charles J. Gause, chairman of the commissioners, is in Columbus for the annual joint meeting of the county commissioners' and county engineers' associations today through Thursday.

Court 'Rewards' Diver Who Aided In Hunt For Auto

A suspension of fines on two traffic charges may be the only reward Robert J. Prescott of 212 Jackson St. will receive from the city for help in retrieving a sunken auto from the Ohio River Sunday.

Prescott, cited Saturday night at Dresden Ave. and Grant St., was shown leniency this morning when he appeared before Municipal Judge Samuel M. Chertoff on charges of operating an unsafe auto and failure to display registration plates on the car.

Prescott was credited Sunday as the skindiver who hooked a line onto the sunken car after it had been located with grappling hooks.

"Are you the man who helped recover the car from the river and who was paid nothing for his services?" the judge asked Prescott. Prescott replied "yes" to both questions.

"Such a public service is entitled to some consideration from the court," the judge remarked. Prescott told the court he expects to repair his auto and obtain proper registration for it.

The judge then decreed two fines totaling $35 and costs, but suspended both.

Board Retains Same Officers

The president and vice president were re-elected during a reorganization of the Western Beaver County Board of Education Monday night following the regular business session.

Returned were Richard Graham of the TV Tower Rd., president, and Olen Gibson of Fairview, vice presdent.

Meetings will be held the first Monday of each month at 8 p.m.

During the business session, permission was granted for kindergarten, first and second grades to visit Old Economy at Ambridge for a special Christmas program.

The secretary was authorized to purchase school supplies totaling $6,918. Girl Scout Troop 273 will use the Fairview School each Tuesday from 2:30 to 4:30 p.m. for meetings.

Bills totaling $91,507 were ordered paid. Of this amount, $64,518 is for salaries and $4,942 for cafeteria.

The next meeting will be Jan. 6.

Some 450,000 gray squirrels marched across Wisconsin in 1842, "devouring on their way everything that is suited to their taste," an observer wrote.

Mobile Crane And Car Involved In Collision

An auto and a piece of equipment known as a mobil crane were involved in an unusual traffic mishap Monday on Market St. 50 feet south of 6th St., police reported.

The collision involved a 1967 model station wagon driven by Aleen Elizabeth Braslawsce, 28, of Valley Dr., RD 3, and a 1958 model mobil crane owned by Mike Pusateri of Hampton Court and operated by Ronald Talbot, 27, of W. 3rd and Jefferson Sts.

Both vehicles were backing on Market St. toward 5th St. when the mobil crane bumped the auto, damaging its hood and grill, police said. The crane was undamaged.

At Board Meeting

Error Admitted On Unions' Role

Following a complaint from Trades and Labor Council, Harry McConville, a member of the board of education, admitted he "was in error" in some statements he had made during a special meeting of the board Nov. 26.

The Trades and Labor protest, submitted at last night's board meeting, concerned McConville's remarks "that the action of some teachers in not reporting to high school duty was a 'deliberate action by the teachers' union'."

The situation developed during the recent controversy over faculty decisions.

—:—

AUDLEY ELLIOTT, president of Trades and Labor, presented the following letter last night:

"As members of the East Liverpool Trades and Labor council, we find it imperative to take issue with remarks made at the school board meeting last Nov. 26, by board member Harry McConville to be exact, and request that they immediately and publicly be retracted. He stated, and we quote — "That the action of some teachers in not reporting to high school duty was a 'deliberate action by the teachers' unions". He further stated that the current situation was an attempt by the union leaders 'who are not qualified' to stir things up and take over the control of the schools.

"We found, after investigating, that there were no union leaders trying to take over the schools as the allegations proclaim, nor, in fact, is there any teachers' union functioning in East Liverpool at this time.

"To be precise, we found that Mr. Harry McConville is in error in who he charges with the trouble in the East Liverpool school system, and who he really means is the East Liverpool Teachers Association, of which Mr. Clinton McConnell is president, and ask this correction immediately be known publicly."

The letter was signed by Elliott, president; Joe Winters, secretary; James Moss, trustee, and Clair Coleman, vice president, of Trades and Labor.

McConville then said, "I was in error, the teachers are not a union, but an association. I have the highest respect for the East Liverpool Trades and Labor Council and for unions."

Elliott answered, "I am glad to hear that."

—:—

IN OTHER business, the board accepted the resignation of Harold West, attendance officer. Mr. and Mrs. West have accepted a position as cottage parents at Boys Village near Wooster, Ohio.

In his letter of resignation, West said "it has been a privilege and honor to serve in the East Liverpool School District. Best wishes to the board, staff and administration."

Resignations also were accepted from Melvin G. Beagle, custodian at LaCroft Elementary School, who is moving to California, and from Joe H. Jackson, custodian at East Elementary School, who has accepted other employment.

A leave of absence was granted Mrs. Shirley Rogers, secretary to Supt. Paul Blair, effective Jan. 8 to June 6. Mrs. Rogers plans to attend the Kent State Academic Center here. Supt. Blair said Mrs. Rogers has been with the school system for approximately 15 years, but would like to pursue her education. If she decides to study further at the end of the six months leave of absence, she then will submit a resignation, he explained.

G. R. Miller of Freeport, Ohio, was hired as the enlisted instructor for the Junior ROTC program effective Dec. 16. The program has been without an enlisted instructor since January. Supt. Blair explained that the board pays the difference between the active pay and the retirement pay received by the instructor and the board is then reimbursed half this amount by the government.

—:—

CUSTODIAL appointments were made as follows:

Donald Brooks Chapman of 337 Ogden St., Oliver McKelvey Gilmore of 407 W. 5th St., Lorin Frederick Howard of Boyd St. and Delbert H. Morris of Box 1352, Station A., effective Monday.

All have been certified by the Civil Service Commission, Supt. Blair explained, and added there are still vacancies on the custodial staff.

Kathryn Leibschner, clerk of the board, said the tax estimate had been received for 1969 from the county auditor's office, with the amount $3,383,912. The millage is 4.20 inside the 10-mill limitation and 23.7 outside the 10-mill limitation. The bond indebtedness has been reduced from eight mills to 6½ mills and repair and maintenance has been set at 1 mill and ½ mill for the state loan repayment.

It was also reported that $958.30 more had been withheld for registration of East Liverpool city voters by the auditor and that the November foundation check for $95,655.72 had been received from the state of Ohio.

Miss Leibschner reported that the sale of all former school buildings has been completed, with a total return of $33,503.

The board authorized the clerk to make the annual transfer of accounts necessary before the end of the year and voted to purchase window blinds for the new buildings not authorized by the Ohio Department of Education at the time the buildings were approved. The blinds will be purchased from the Art Window Shade Co. for $2,600 to be paid from the interest money received from the sale of bonds.

—:—

WILLIAM BLAIR requested that Architect Robert Beatty be contacted and asked to inspect the new buildings for possible defects and submit a report by the next board meeting.

A letter was received from the East End Civic Association requesting chairs and equipment left in the Horace Mann building. Another letter was received from Chalmer Gifford of the St. Clair Fire Department requesting permission to burn some old sheds on school property at LaCroft. Gifford said the buildings have been on fire at least twice and are a hazard to the children.

A request was received to have the area from the vocational building to the bus loading area blacktopped because of a muddy situation and a letter was received from the board of trustees of the Trinity United Presbyterian Church concerning possible transfer of a small area of ground.

The board requested that a cost figure on blacktopping be obtained.

Cloud Orders Inquiry Into Welfare Units

COLUMBUS — State Auditor Roger Cloud today ordered a comprehensive investigation of the administrative and management practices of public welfare agencies throughout Ohio.

He announced the creation of a Public Welfare and State Institutions' Division as a part of the administrative staff of the auditor's office.

Cloud said: "This program, never before undertaken in Ohio, is directed at the administration of public welfare, not at the recipients of public welfare."

A. J. Walker, a senior state examiner, has been appointed supervisor of the new division.

"Mr. Walker and his staff have developed systematic techniques and avenues of investigation," Cloud continued. "They welcome suggestions. Immediate investigation in all 88 counties is not contemplated, but the review will begin in selected urban counties."

Cloud said the new agency will review (1) administrative compliance with federal and state requirements for eligibility; (2) vendor payments to insure that proper services are being provided welfare recipients, and (3) technical procedural matters including replacement warrant procedures now in effect.

"The inceasing number of forgery and fraud cases will continue to be investigated," Cloud added. "This analysis is limited to those who attempt to defraud the government of public welfare funds. Evidence of fraud will be turned over to the local prosecutor.

"Regular financial audits of the 88 county welfare departments will continue to be conducted by the Bureau of Inspection and Supervision of Public Offices."

Beaver Lists 411 Traffic Accidents

BEAVER — A total of 411 accidents was investigated in Beaver County during November, including three fatalities, according to statistics compiled by the Beaver County Police Department and Pennsylvania state police.

The fatalities included two passengers and a pedestrian. A total of 106 passengers and seven pedestrians was injured.

There were 345 accidents involving property damage estimated at $170,860. Of the operators injured 78 were over 18 and 19 were under 18. Of all the operators involved in mishaps, 561 were over 18 and 52 under 18.

There were 244 daytime accidents and 167 mishaps at night.

Board At Beaver Local Speeds Addition Plans

Bids for construction of the addition to the Beaver Local High School and Public School will be ready by Jan. 1, Architect Robert Beatty told the Beaver Local board of education Monday night.

The board approved plans for the additions.

Construction will depend on the weather, but is planned to start Feb. 1.

The board requested Sanford Plumbing and Heating of East Liverpool to furnish prices for installing oil burners at West Point, Elkton and Rogers buildings. The board has not yet taken action for the installation.

—:—

IN OTHER business, the activity fund report was accepted and William Miller, the clerk of the board, was authorized to make the year-end transfer of funds.

A resolution was adopted to accept the results of the recent election and to accept the rates and amounts of tax monies determined by the budget commission for the 1969 budget.

The First National Bank of East Liverpool was approved as depository for the $485,000 realized from the bond issue. The money has been invested in treasury notes and is expected to provide an income of from $13,000 to $15,000 over the next 90 to 180 days, Supt. Roy Cashdollar reported.

June 1 was approved for baccalaureate and June 2 for commencement.

Nancy Beaver, first-grade teacher at West Point, was granted a leave of absence for the remainder of the school year for medical reasons and Gary Garland, high school business teacher, was appointed assistant wrestling coach.

Reimbursement from the state of $17,708 on the purchase of ness ttacher, was appointed asfour buses was approved and placed in the proper account.

—:—

TESTS ON the boilers at the high school and the public school were made by the Ohio Valley Gas Co., and adjustments made. The gas company officials reported there should be a 5 to 10 per cent more efficient operation, resulting in lower gas consumption.

The board was invited to the football banquet tonight and to the Don Lonie assembly scheduled for Thursday at 10.

Notice was received from Columbus that Federal Fund Title 3 was approved for $4,280 and the Title I program was approved by Carl Evans, state supervisor.

Theodore Taylor, high school principal, told the board efforts to obtain a transfer from the Northeast Athletic Association to the Eastern Ohio Athletic Association are being made. Taylor explained that regular season games in the Buckeye Border Conference were in the Eastern Association and that tournament games then had to be played with the teams in the Northeastern Association.

The board joined the Ohio School Board Association for 1969.

A letter of sympathy was authorized for the Gale Williams family. Williams was a charter member of the Booster Club and an active supporter of the school district.

The board will attend the banquet at the East Liverpool Country Club on Dec. 12 along with the board of education and administrators of Edison Local. The dinner is being sponsored by the Ohio Valley Gas Co.

Cashdollar and Arthur Doaks, a board member, were appointed by County Supt. James McBride to the county vocational education committee. Cashdollar reported there will be two members from Lisbon and two from Salem, in addition to McBride and the Beaver Local representatives.

The annual reorganization meeting of the board will be held Jan. 6.

'Solo Parents' Group Will Meet Wednesday

YOUNGSTOWN — Wilfred Black of Youngstown will speak about the dangers of barbiturates and amphetamines when the Solo Parents meet Wednesday evening at the Youngstown YWCA.

The group is open to all area parents who have been left alone by death, separation or divorce.

Land Action Case Begins

LISBON — A Common Pleas Court jury this morning heard opening statements in a lawsuit over the state's appropriation of land for Route 11 — the Lake Erie-to-Ohio River Freeway.

Wilbur and Helen Whan of Leetonia RD 2 appealed from an offer of $14,975 last May and asked for a jury trial to determine their compensation.

They made the appeal for themselves and for Thompson Bros. Mining Co., their lessees under a 1964 coal agreement.

The case before the jury concerns approximately 17 acres in Sections 30 and 31 of Fairfield Township. The "take" lies north and south of Lodge Rd., an east-west township road, which will be bridged by the freeway about one-quarter mile east of Route 164.

Judge Joel H. Sharp administered the oath to the jury shortly after noon Monday. The panel visited the construction site in the afternoon.

The jurors are Frank S. Thornberry, Robert McLane, Mildred McKim and Viola Ruth Kays, East Liverpool; Paul E. Allen, Wellsville; Thelma Fergason, Salineville; Amber Tafini, Lisbon; Marian Holloway and Ed Casey, Leetonia; Pearl G. McCoy, East Palestine, and Rudolph Kloos and Joan Shoop, Salem. Wallace Stewart, Salem, is the alternate.

IN OTHER business, the board accepted the resignation of Harold West, attendance officer. Mr. and Mrs. West have accepted a position as cottage parents at Boys Village near Wooster, Ohio.

In his letter of resignation, West said "it has been a privilege and honor to serve in the East Liverpool School District. Best wishes to the board, staff and administration."

Resignations also were accepted from Melvin G. Beagle, custodian at LaCroft Elementary School, who is moving to California, and from Joe H. Jackson, custodian at East Elementary School, who has accepted other employment.

A leave of absence was granted Mrs. Shirley Rogers, secretary to Supt. Paul Blair, effective Jan. 8 to June 6. Mrs. Rogers plans to attend the Kent State Academic Center here. Supt. Blair said Mrs. Rogers has been with the school system for approximately 15 years, but would like to pursue her education. If she decides to study further at the end of the six months leave of absence, she then will submit a resignation, he explained.

G. R. Miller of Freeport, Ohio, was hired as the enlisted instructor for the Junior ROTC program effective Dec. 16. The program has been without an enlisted instructor since January. Supt. Blair explained that the board pays the difference between the active pay and the retirement pay received by the instructor and the board is then reimbursed half this amount by the government.

—:—

CUSTODIAL appointments were made as follows:

Donald Brooks Chapman of 337 Ogden St., Oliver McKelvey Gilmore of 407 W. 5th St., Lorin Frederick Howard of Boyd St. and Delbert H. Morris of Box 1352, Station A., effective Monday.

All have been certified by the Civil Service Commission, Supt. Blair explained, and added there are still vacancies on the custodial staff.

Kathryn Leibschner, clerk of the board, said the tax estimate had been received for 1969 from the county auditor's office, with the amount $3,383,912. The millage is 4.20 inside the 10-mill limitation and 23.7 outside the 10-mill limitation. The bond indebtedness has been reduced from eight mills to 6½ mills and repair and maintenance has been set at 1 mill and ½ mill for the state loan repayment.

It was also reported that $958.30 more had been withheld for registration of East Liverpool city voters by the auditor and that the November foundation check for $95,655.72 had been received from the state of Ohio.

Miss Leibschner reported that the sale of all former school buildings has been completed, with a total return of $33,503.

The board authorized the clerk to make the annual transfer of accounts necessary before the end of the year and voted to purchase window blinds for the new buildings not authorized by the Ohio Department of Education at the time the buildings were approved. The blinds will be purchased from the Art Window Shade Co. for $2,600 to be paid from the interest money received from the sale of bonds.

—:—

WILLIAM BLAIR requested that Architect Robert Beatty be contacted and asked to inspect the new buildings for possible defects and submit a report by the next board meeting.

A letter was received from the East End Civic Association requesting chairs and equipment left in the Horace Mann building. Another letter was received from Chalmer Gifford of the St. Clair Fire Department requesting permission to burn some old sheds on school property at LaCroft. Gifford said the buildings have been on fire at least twice and are a hazard to the children.

A request was received to have the area from the vocational building to the bus loading area blacktopped because of a muddy situation and a letter was received from the board of trustees of the Trinity United Presbyterian Church concerning possible transfer of a small area of ground.

The board requested that a cost figure on blacktopping be obtained.

Cloud Orders Inquiry Into Welfare Units

COLUMBUS — State Auditor Roger Cloud today ordered a comprehensive investigation of the administrative and management practices of public welfare agencies throughout Ohio.

He announced the creation of a Public Welfare and State Institutions' Division as a part of the administrative staff of the auditor's office.

Cloud said: "This program, never before undertaken in Ohio, is directed at the administration of public welfare, not at the recipients of public welfare."

A. J. Walker, a senior state examiner, has been appointed supervisor of the new division.

"Mr. Walker and his staff have developed systematic techniques and avenues of investigation," Cloud continued. "They welcome suggestions. Immediate investigation in all 88 counties is not contemplated, but the review will begin in selected urban counties."

Cloud said the new agency will review (1) administrative compliance with federal and state requirements for eligibility; (2) vendor payments to insure that proper services are being provided welfare recipients, and (3) technical procedural matters including replacement warrant procedures now in effect.

"The inceasing number of forgery and fraud cases will continue to be investigated," Cloud added. "This analysis is limited to those who attempt to defraud the government of public welfare funds. Evidence of fraud will be turned over to the local prosecutor.

"Regular financial audits of the 88 county welfare departments will continue to be conducted by the Bureau of Inspection and Supervision of Public Offices."

Beaver Lists 411 Traffic Accidents

BEAVER — A total of 411 accidents was investigated in Beaver County during November, including three fatalities, according to statistics compiled by the Beaver County Police Department and Pennsylvania state police.

The fatalities included two passengers and a pedestrian. A total of 106 passengers and seven pedestrians was injured.

There were 345 accidents involving property damage estimated at $170,860. Of the operators injured 78 were over 18 and 19 were under 18. Of all the operators involved in mishaps, 561 were over 18 and 52 under 18.

There were 244 daytime accidents and 167 mishaps at night.

Board At Beaver Local Speeds Addition Plans

Bids for construction of the addition to the Beaver Local High School and Public School will be ready by Jan. 1, Architect Robert Beatty told the Beaver Local board of education Monday night.

The board approved plans for the additions.

Construction will depend on the weather, but is planned to start Feb. 1.

The board requested Sanford Plumbing and Heating of East Liverpool to furnish prices for installing oil burners at West Point, Elkton and Rogers buildings. The board has not yet taken action for the installation.

—:—

IN OTHER business, the activity fund report was accepted and William Miller, the clerk of the board, was authorized to make the year-end transfer of funds.

A resolution was adopted to accept the results of the recent election and to accept the rates and amounts of tax monies determined by the budget commission for the 1969 budget.

The First National Bank of East Liverpool was approved as depository for the $485,000 realized from the bond issue. The money has been invested in treasury notes and is expected to provide an income of from $13,000 to $15,000 over the next 90 to 180 days, Supt. Roy Cashdollar reported.

June 1 was approved for baccalaureate and June 2 for commencement.

Nancy Beaver, first-grade teacher at West Point, was granted a leave of absence for the remainder of the school year for medical reasons and Gary Garland, high school business teacher, was appointed assistant wrestling coach.

Reimbursement from the state of $17,708 on the purchase of ness ttacher, was appointed asfour buses was approved and placed in the proper account.

—:—

TESTS ON the boilers at the high school and the public school were made by the Ohio Valley Gas Co., and adjustments made. The gas company officials reported there should be a 5 to 10 per cent more efficient operation, resulting in lower gas consumption.

The board was invited to the football banquet tonight and to the Don Lonie assembly scheduled for Thursday at 10.

Notice was received from Columbus that Federal Fund Title 3 was approved for $4,280 and the Title I program was approved by Carl Evans, state supervisor.

Theodore Taylor, high school principal, told the board efforts to obtain a transfer from the Northeast Athletic Association to the Eastern Ohio Athletic Association are being made. Taylor explained that regular season games in the Buckeye Border Conference were in the Eastern Association and that tournament games then had to be played with the teams in the Northeastern Association.

The board joined the Ohio School Board Association for 1969.

A letter of sympathy was authorized for the Gale Williams family. Williams was a charter member of the Booster Club and an active supporter of the school district.

The board will attend the banquet at the East Liverpool Country Club on Dec. 12 along with the board of education and administrators of Edison Local. The dinner is being sponsored by the Ohio Valley Gas Co.

Cashdollar and Arthur Doaks, a board member, were appointed by County Supt. James McBride to the county vocational education committee. Cashdollar reported there will be two members from Lisbon and two from Salem, in addition to McBride and the Beaver Local representatives.

The annual reorganization meeting of the board will be held Jan. 6.

The group is open to all area parents who have been left alone by death, separation or divorce.

Land Action Case Begins

LISBON — A Common Pleas Court jury this morning heard opening statements in a lawsuit over the state's appropriation of land for Route 11 — the Lake Erie-to-Ohio River Freeway.

Wilbur and Helen Whan of Leetonia RD 2 appealed from an offer of $14,975 last May and asked for a jury trial to determine their compensation.

They made the appeal for themselves and for Thompson Bros. Mining Co., their lessees under a 1964 coal agreement.

The case before the jury concerns approximately 17 acres in Sections 30 and 31 of Fairfield Township. The "take" lies north and south of Lodge Rd., an east-west township road, which will be bridged by the freeway about one-quarter mile east of Route 164.

Judge Joel H. Sharp administered the oath to the jury shortly after noon Monday. The panel visited the construction site in the afternoon.

The jurors are Frank S. Thornberry, Robert McLane, Mildred McKim and Viola Ruth Kays, East Liverpool; Paul E. Allen, Wellsville; Thelma Fergason, Salineville; Amber Tafini, Lisbon; Marian Holloway and Ed Casey, Leetonia; Pearl G. McCoy, East Palestine, and Rudolph Kloos and Joan Shoop, Salem. Wallace Stewart, Salem, is the alternate.

4 Cars Involved In Chain-Type Hancock Mishap

No one was injured in a four-car chain-reaction type accident Monday at 4:20 p.m. on Route 8 near New Manchester.

The Hancock County sheriff's office reported Glenn A. Sadler, 48, of New Cumberland RD 1, traveling north on Route 8, came over a slight grade and failed to see two cars, also headed north, which had halted for a school bus unloading children.

Sadler's car apparently avoided hitting one driven by Robert C. Shuman 55, of New Cumberland, but did strike another directly in front of Shuman, operated by G. R. Wenzel, 61, of Pittsburgh.

Meanwhile, a fourth car, driven by James Given, 43, of New Manchester, traveling in the same direction, struck the car driven by Shuman, according to the sheriff's office.

There were no arrests, deputies said.

Fines Assessed In Traffic Cases

EAST PALESTINE — Two local residents appeared in Eastern County Court Monday on a charge of operating vehicles while under the influence of alcohol.

Ronald L. Fisher, 21, of State Line Rd. was fined $250 and costs and given five days in jail. William D. Cantwell, 48, of East Palestine RD 1 received a suspended fine of $250 and costs in lieu of one year's probation, though he will serve 10 days in jail.

East Liverpool area residents fined were Margaret Hamilton, of East Liverpool RD 1, $5 and costs, failure to yield the right-of-way; John C. Keller of 1573 Pennsylvania Ave., $10 and costs, passing at a railroad crossing; Zangwill Kamil of 3130 Gilson Ave., $15 and costs, speeding, and Leman Starkey of Negley, $20 and costs, defective muffler.

A charge of petty larceny against Clarence Swogger of 249 E. Main St., East Palestine, was dismissed upon a motion by the prosecutor following the results of a lie detector test. Swogger was charged with the theft of tools and other equipment valued at more than $100.

The project includes the addition of a structure 15 by 42 feet. It will be a two-story structure on the east side next to the parking lot, utilizing a portion of the present building. The ground floor of the addition will be used as storage space, while the new kitchen area will be on the same level as the present kitchen.

Intruder Flees Home When Owner Returns

An intruder who had forced his way into a Beechwood home Monday night fled through a cellar door when the owner returned, police reported.

Mrs. Clyde E. Brookes of 124 Reynolds told officers she heard a noise in the basement when she entered her home about 7:15. Investigating, she found the basement door had been forced open. When she looked out the doorway, she saw the intruder fleeing through the yard.

Mrs. Brookes' return apparently frightened the burglar away before anything was taken, officers said.

4 Cars Involved In Chain-Type Hancock Mishap

No one was injured in a four-car chain-reaction type accident Monday at 4:20 p.m. on Route 8 near New Manchester.

The Hancock County sheriff's office reported Glenn A. Sadler, 48, of New Cumberland RD 1, traveling north on Route 8, came over a slight grade and failed to see two cars, also headed north, which had halted for a school bus unloading children.

Sadler's car apparently avoided hitting one driven by Robert C. Shuman 55, of New Cumberland, but did strike another directly in front of Shuman, operated by G. R. Wenzel, 61, of Pittsburgh.

Meanwhile, a fourth car, driven by James Given, 43, of New Manchester, traveling in the same direction, struck the car driven by Shuman, according to the sheriff's office.

There were no arrests, deputies said.

Geraldine Bednarzik Wed In Ceremonies At Chester

The Sacred Heart Church of Chester was the setting Nov. 23 at noon for the wedding of Miss Geraldine Bednarzik, daughter of Walter Bednarzik of 317 Louisiana Ave., Chester, and the late Mrs. Genevieve Bednarzik, and Donald V. Porter, son of Mr. and Mrs. Brown Porter of Morgantown, W. Va.

Fr. Robert Hickey officiated for the double - ring ceremony before an altar background of yellow and white mums. Satin bows marked the family pews.

—:—

GIVEN IN marriage by her father, the bride appeared in a semi-fitted, A-line gown of candlelight white peau de soie. The bodice featured a lace yoke front and back and three-quarter-length, bell-shaped sleeves. The lace train was chapel length.

Her shoulder - length veil of silk illusion was held in place by an arrangement of peau de soie petals. She carried a cascade bouquet of white roses and stephanotis centered with an orchid. The traditions were observed.

Miss Kathy Bednarzik, sister of the bride, was maid of honor and Miss Regina Tice bridesmaid. They wore Empire-style gowns of brocade fashioned with oval necklines and wrist - length sleeves. The maid of honor wore gold and carried a cascade bouquet of carnations tinted beige and gold and the bridesmaid wore green and carried carnations tipped in green. Matching headpieces of ruffled organza and illusion veils completed their costumes.

Larry Utt of Morgantown served as best man. Stanley Powell of Wheeling was an usher.

The mother of the bridegroom chose a turquoise ensemble with matching accessories and a corsage of yellow roses and white carnations.

MRS. DONALD PORTER
Double-Ring Rites.

—:—

A RECEPTION for 150 followed at the Chester VFW post home, where Ronald Orr's Orchestra provided music. The buffet table was centered with a three - tier cake topped with a miniature bridal couple.

For her honeymoon to Williamsburg, Va., the bride was attired in a gray and white ensemble with her bridal orchid.

The bride was graduated in 1964 from Oak Glen High School and in 1968 from West Virginia University. She teaches second grade at the Chester Primary School. Her husband was graduated in 1961 from Morgantown High School and attended West Virginia University for two years. He served three years in the Army and is employed by the National Cash Register Co. at Steubenville.

The newlyweds are residing on California Ave., Chester.

Mrs. George Bohlender will be hostess for a Christmas party of the Women's Association Dec. 18 at 8 p.m. at the Midland First United Presbyterian Church. A gift exchange will be held.

Mrs. Bohlender, vice president, conducted business for the November session at the home of Mrs. S. E. Miller of Beaver Ave. She read a study of women of the Bible.

A quilt was sent to a mission in Kentucky.

Woman's Unhurt When Car Veers, Rams Guardrail

A 20-year-old woman driver escaped injury early today when her 1968 sedan veered off the River Rd. almost a half-mile east of Walnut St. and tore out a 20-foot section of guardrail, police reported.

Mrs. Linda L. Heiney of 623 Minerva St. told officers she was driving east about 30 miles an hour at 12:36 a. m. when she saw a barricade on the road where the pavement was being repaired. When she applied the brakes, the wheels locked and the auto veered off the road and hit the fence, she said.

Mrs. Heiney blamed the mishap on her unfamiliarity with power brakes. She said the car was newly-purchased and she never had driven an auto with power brakes before. The crash damaged the grill, bumper, right front fender and headlight and right rear fender of the auto.

Two cars were damaged slightly in a mishap at 5:26 p.m. Monday on Jackson St., 25 feet south of W. 5th St.

A backing 1967 sedan driven by Mrs. Evelyn English of Radio Heights bumped a halted 1965 sedan operated by Lonnie A. Stockdale, 18, of 508 Harker Ave., Newell.

Mrs. English told police she had just taken over the wheel from her husband, who alighted from the car at a traffic light. When she started to move from the light, she accidentally put the auto into reverse and bumped Stockdale's car, she said.

Senior Citizens Plan Yule Party

A committee was appointed to arrange a Christmas party when Wellsville Senior Citizens met Friday afternoon at the First United Methodist Church.

It includes L. P. Perry, Mrs. Ruth Givens and Mrs. Anna Mursch. Mrs. Bertha Reed presided and Mrs. Ethel Nelson "Queen for the Day," received a corsage.

Cliff Baughman read a letter from the Cleveland Senior Citizens Club and gave a reading. Mrs. Reed presented a reading, L. H. Rhodes related a story and Miss Marie Headley sang a solo.

Group singing was led by Miss Headley, accompanied by Mrs. Mursch. Lunch was served 18 by Mrs. Nelson and Mrs. Gertrude Wilkinson.

The December luncheon committee includes Mrs. Ruth Givens and Mrs. Ethel Urie. All persons over 60 are welcome to attend the meeting Friday afternoon at 1:30 at the church, Mrs. Reed said.

Local Squadron Joins In Program

CAP Observance Begins

East Liverpool Squadron 307-C of the Civil Air Patrol joined more than 2,300 other CAP units throughout the U.S. in observance of the 27th anniversary of CAP Sunday and this week.

Looking over plans for the week are, left to right, Jay Finney, squadron executive officer; Wayne Poole, cadet military education officer, and Karen Angus, cadet flight commander.

The all-volunteer force flies mercy missions, conducts air search and rescue efforts and educates the public on the role of aviation. It is the official auxiliary of the Air Force and is headquartered at the Maxwell base, Montgomery, Ala.

The CAP was founded in 1941 by a band of air-minded individuals who volunteered their services and aircraft to patrol the nation's borders. During World War II, CAP pilots flew more than 24 million miles on anti-submarine patrol and thousands of more miles on courier missions.

CAP cadets, boys and girls ranging in age from 13 to 17 participate actively in the aerospace education program and can receive flight instruction leading to a private pilot certification.

The East Liverpool unit, formed about a year ago, numbers 25 cadets, including three girls. Meetings are held each Tuesday night at 7 at the former streetcar offices in the East End.

Mayor George Willshaw has issued a proclamation hailing the role of CAP in the nation and commending the local organization for its preparation of young men and women for important roles in aviation and in meeting emergency situations.

Mrs. George Bohlender will be hostess for a Christmas party of the Women's Association Dec. 18 at 8 p.m. at the Midland First United Presbyterian Church. A gift exchange will be held.

Mrs. Bohlender, vice president, conducted business for the November session at the home of Mrs. S. E. Miller of Beaver Ave. She read a study of women of the Bible.

A quilt was sent to a mission in Kentucky.

Woman's Unhurt When Car Veers, Rams Guardrail

A 20-year-old woman driver escaped injury early today when her 1968 sedan veered off the River Rd. almost a half-mile east of Walnut St. and tore out a 20-foot section of guardrail, police reported.

Mrs. Linda L. Heiney of 623 Minerva St. told officers she was driving east about 30 miles an hour at 12:36 a. m. when she saw a barricade on the road where the pavement was being repaired. When she applied the brakes, the wheels locked and the auto veered off the road and hit the fence, she said.

Mrs. Heiney blamed the mishap on her unfamiliarity with power brakes. She said the car was newly-purchased and she never had driven an auto with power brakes before. The crash damaged the grill, bumper, right front fender and headlight and right rear fender of the auto.

Two cars were damaged slightly in a mishap at 5:26 p.m. Monday on Jackson St., 25 feet south of W. 5th St.

A backing 1967 sedan driven by Mrs. Evelyn English of Radio Heights bumped a halted 1965 sedan operated by Lonnie A. Stockdale, 18, of 508 Harker Ave., Newell.

Mrs. English told police she had just taken over the wheel from her husband, who alighted from the car at a traffic light. When she started to move from the light, she accidentally put the auto into reverse and bumped Stockdale's car, she said.

Senior Citizens Plan Yule Party

A committee was appointed to arrange a Christmas party when Wellsville Senior Citizens met Friday afternoon at the First United Methodist Church.

It includes L. P. Perry, Mrs. Ruth Givens and Mrs. Anna Mursch. Mrs. Bertha Reed presided and Mrs. Ethel Nelson "Queen for the Day," received a corsage.

Cliff Baughman read a letter from the Cleveland Senior Citizens Club and gave a reading. Mrs. Reed presented a reading, L. H. Rhodes related a story and Miss Marie Headley sang a solo.

Group singing was led by Miss Headley, accompanied by Mrs. Mursch. Lunch was served 18 by Mrs. Nelson and Mrs. Gertrude Wilkinson.

The December luncheon committee includes Mrs. Ruth Givens and Mrs. Ethel Urie. All persons over 60 are welcome to attend the meeting Friday afternoon at 1:30 at the church, Mrs. Reed said.

Local Squadron Joins In Program

CAP Observance Begins

East Liverpool Squadron 307-C of the Civil Air Patrol joined more than 2,300 other CAP units throughout the U.S. in observance of the 27th anniversary of CAP Sunday and this week.

Looking over plans for the week are, left to right, Jay Finney, squadron executive officer; Wayne Poole, cadet military education officer, and Karen Angus, cadet flight commander.

The all-volunteer force flies mercy missions, conducts air search and rescue efforts and educates the public on the role of aviation. It is the official auxiliary of the Air Force and is headquartered at the Maxwell base, Montgomery, Ala.

The CAP was founded in 1941 by a band of air-minded individuals who volunteered their services and aircraft to patrol the nation's borders. During World War II, CAP pilots flew more than 24 million miles on anti-submarine patrol and thousands of more miles on courier missions.

CAP cadets, boys and girls ranging in age from 13 to 17 participate actively in the aerospace education program and can receive flight instruction leading to a private pilot certification.

The East Liverpool unit, formed about a year ago, numbers 25 cadets, including three girls. Meetings are held each Tuesday night at 7 at the former streetcar offices in the East End.

Mayor George Willshaw has issued a proclamation hailing the role of CAP in the nation and commending the local organization for its preparation of young men and women for important roles in aviation and in meeting emergency situations.

Out Of The Air

By HAL HUMPHREY

The Democratic Convention

Three months have passed since the Democrats held their convention in Chicago, but to the TV networks which covered that event it may as well have been yesterday.

Hal Humphrey

They remain in a state of shock over the public and official Washington's reaction to the TV coverage and still are defending themselves.

At the Radio-Television News Directors Association convention in Hollywood recently, for example, a panel of three network news chiefs discussed the subject but actually were able to shed little light on their perplexing problem.

-:-

ALL THREE MEN — ABC news president Elmer Lower, CBS news vice president Bill Leonard and NBC news president Reuben Frank — did say that in retrospect they wouldn't have changed anything they telecast from Chicago.

"Why such violent reaction from the public?" CBS' Leonard asked himself. "The viewers have seen heads split on TV before. Maybe it was the juxtaposition of the convention hall scenes and the street violence," he added in reply to his own question.

NBC's Frank suggested that Americans are tired of "looking at the world 'live,'" and that the street violence in Chicago was just too much for them.

-:-

"THE VIEWERS were too selective and heard and saw only what they wanted to," offered ABC's Lower. "Of 19 hours and 37 minutes we devoted only 13 minutes to the street violence."

One questioner from the floor asked the panel about the charge made that TV showed very little of the provocation which led to the police action.

"What's provocation?" replied NBC's Frank. "It's not an objective word. There has to be a specific charge. I've heard and seen lots of words, but very few facts."

He has a point there. Very few facts have been marshaled by the complainants against the convention coverage by TV. At the same RTNDA convention, however, Rep. Lionel Van Deerlin, D-Calif., who heads a committee investigating coverage of the convention, spoke to members about two cases of provocation by the demonstrators not shown on TV.

-:-

REP. VAN DEERLIN did not blame TV for this, because the provocateurs were shouting obscenities at the police, and the networks have a policy against broadcasting obscene language blipped from the tape and a TV reporter explaining why to the viewers.

The Van Deerlin committee report will be out soon, and this will lead to further discussion of TV's role at the Chicago convention. It won't matter, either, even if the report is favorable to TV, because what the network news departments object to is the fact that TV can be investigated by Congress or other governmental agencies in this respect at all.

-:-

THE NETWORK newsmen claim they should be protected by the First Amendment, just as the press is, and these investigations are a violation of this "free press" protection. The fact broadcasters are licensed by the government should make no difference in this case, they argue, and no doubt rightfully.

Out Of The Air

By HAL HUMPHREY

The Democratic Convention

Three months have passed since the Democrats held their convention in Chicago, but to the TV networks which covered that event it may as well have been yesterday.

Hal Humphrey

They remain in a state of shock over the public and official Washington's reaction to the TV coverage and still are defending themselves.

At the Radio-Television News Directors Association convention in Hollywood recently, for example, a panel of three network news chiefs discussed the subject but actually were able to shed little light on their perplexing problem.

-:-

ALL THREE MEN — ABC news president Elmer Lower, CBS news vice president Bill Leonard and NBC news president Reuben Frank — did say that in retrospect they wouldn't have changed anything they telecast from Chicago.

"Why such violent reaction from the public?" CBS' Leonard asked himself. "The viewers have seen heads split on TV before. Maybe it was the juxtaposition of the convention hall scenes and the street violence," he added in reply to his own question.

NBC's Frank suggested that Americans are tired of "looking at the world 'live,'" and that the street violence in Chicago was just too much for them.

-:-

"THE VIEWERS were too selective and heard and saw only what they wanted to," offered ABC's Lower. "Of 19 hours and 37 minutes we devoted only 13 minutes to the street violence."

One questioner from the floor asked the panel about the charge made that TV showed very little of the provocation which led to the police action.

"What's provocation?" replied NBC's Frank. "It's not an objective word. There has to be a specific charge. I've heard and seen lots of words, but very few facts."

He has a point there. Very few facts have been marshaled by the complainants against the convention coverage by TV. At the same RTNDA convention, however, Rep. Lionel Van Deerlin, D-Calif., who heads a committee investigating coverage of the convention, spoke to members about two cases of provocation by the demonstrators not shown on TV.

-:-

REP. VAN DEERLIN did not blame TV for this, because the provocateurs were shouting obscenities at the police, and the networks have a policy against broadcasting obscene language blipped from the tape and a TV reporter explaining why to the viewers.

The Van Deerlin committee report will be out soon, and this will lead to further discussion of TV's role at the Chicago convention. It won't matter, either, even if the report is favorable to TV, because what the network news departments object to is the fact that TV can be investigated by Congress or other governmental agencies in this respect at all.

-:-

THE NETWORK newsmen claim they should be protected by the First Amendment, just as the press is, and these investigations are a violation of this "free press" protection. The fact broadcasters are licensed by the government should make no difference in this case, they argue, and no doubt rightfully.

Santa and the HIPPIES

By LUCRECE BEALE

Synopsis: An elf tells Santa Claus of a boy so bad he doesn't deserve any Christmas. Santa says perhaps the boy would like to live in Hippieville.

CHAPTER 2

Edgar the elf went to see Henry Wetherspoon who called himself Ding Dong.

Ding Dong was lying on his back on his bedroom floor playing a zither with his toes. It was the middle of the night and his folks thought the sound of the zither was Ding Dong snoring in his bed. It was that kind of a sound.

Edgar slipped in the open window and grabbed Ding Dong by the toes. Twang! Clang! went the zither as two strings broke the popped Ding Dong on the nose.

Ding Dong sat up and stared at Edgar. "I'm dreaming! Man! What a dream!"

"You're not dreaming," snapped the elf. "I'm Edgar and though I'm an elf I'm real enough. I've come to tell you that Santa Claus is not at all pleased with the way you have been acting."

"This is the place for me!" cried Ding Dong.

—:—

DING DONG rocked with laughter. "Who cares?" he said disdainfully.

Edgar glared. "Your Mother and your Father are not pleased either."

"So what?" snorted Ding Dong.

"If that's the way you feel," said Edgar, "perhaps you'd like to go to Hippieville. A lot of boys and girls live there who are just like you. They don't study. They don't take baths. They stay up all night."

"Wonderful!" cried Ding Dong. "How do I get to Hippieville?"

"Follow me," said Edgar and added with a sigh, "I hope you won't be sorry." He pulled himself up the bedroom curtains and slid out the window.

"Wait!" cried Ding Dong rushing to the window. "I can't see you!"

"Just come!" shouted Edgar. His voice sounded miles away.

—:—

DING DONG wiggled out the window but when he dropped to the ground he wasn't outdoors at all but in a long corridor that went on and on as far as he could see.

"Wait!" he shouted again. He couldn't even hear Edgar's reply. He thought of climbing back into his bedroom but the window wasn't there. There was nothing but the long, long corridor.

He began to run. Now he wasn't at all sure he wanted to go wherever it was he was going but there didn't seem to be anything else to do except run as fast as he could to get there.

Actually it wasn't a terribly long way. Ding Dong was hardly out of breath when the corridor ended. He was in a dirty street of tumbled - down houses. He went to the nearest house and knocked on the door. There was a lot of noise inside but no one came to the door. Ding Dong pushed it open and went in.

The house was packed with kids. They were dancing on the mantel and banging on dishpans and painting on the walls and shooting popguns at the chandelier.

There was not a grownup around to tell them to be quiet or stick in their shirt tails or get the hair out of their eyes or wipe their faces which were smeared with chocolate candy.

"This is living!" thought Ding Dong happily. "This is the place for me!"

Group Will View Film Thursday

A color animated film "How Are You?" will be shown during the Hancock - Brooke County Mental Health Society meeting Thursday at 8 p.m. in the doctors' dining room at Weirton General Hospital.

It defines normal behavior, discusses mental health and mental illness and then presents some of the ways mental illness can manifest itself. The film closes with an appeal to the individual to appraise his own mental health.

"How Are You?" was produced cooperatively by the Medical Services Division of the Minnesota Department of Public Welfare and the Communications and Community Services Division of Nebraska Psychiatric Institute.

Mrs. Audrey Litman, who will preside for the business meeting, requests all members of the executive board to convene at 7 prior to the society meeting.

Sheppard Quits Hospital Staff At Youngstown

YOUNGSTOWN, Ohio (AP)— Dr. Samuel H. Sheppard, named in two wrongful death suits in September, resigned Nov. 21 from the staff of Youngstown Osteopathic Hospital, the hospital superintendent said Monday night.

Supt. Florence Marsteller said Dr. Sheppard was not asked to resign and that he cited no reason for his resignation. He made the resignation to the hospital's board of directors effective the same day.

The two wrongful death suits were filed within a 10-day period in September as the result of two operations Dr. Sheppard performed.

Martin L. Duffy, chief of the Liberty Township Fire Department, sued him for $685,000 in the death of his wife, Mary. He claims Dr. Sheppard was negligent in lacerating an artery during a spinal operation on Mrs. Duffy and that the hospital was negligent in selecting Dr. Sheppard for its staff when he had not practiced in 10 years.

Similar claims were made in a $530,000 suit filed by Marcia Lopez whose husband Samuel died after a spinal operation performed by Sheppard.

Dr. Sheppard spent nearly 10 years in prison on a second-degree murder conviction in the bludgeon slaying of his first wife Marilyn, July 4, 1954.

He was acquitted at a second trial, which was granted after a U.S. District Court judge in Dayton ruled that he did not receive a fair trial in 1954.

Newell Lions To Hold Sale

The annual candy sale of the Newell Lions Club will get under way Wednesday.

Members are requested to meet at the home of John Robison, chairman, at 6 tomorrow night preparatory to a canvass of the community.

Plans for the sale and other Christmas projects were discussed during Monday night's meeting in the Holiday Inn at Waterford Park.

Patrick Julius and Frank Schroeder of the Elm Grove Lions Club were guests, with the former outlining a youth exchange program and reviewing some of the experiences when his group played host to two Swedish girls last year.

The next meeting of the Newell club will be Dec. 16 at the inn.

Monthly Report Given By West

Ninety-five absences were investigated by Harold West, attendance officer, during November.

The figure was contained in a report submitted to the board of education Monday night.

The cases included 56 personal illness, 10 moving of residence, 15 truancy, 9 kept out by parents, two erroneously reported and three working.

West also pointed out two cases were cited to court, 12 legal notices were sent, three police conferences were held and 29 conferences were conducted with parents and students.

Former Janitor Wins $97,500 Settlement

CLEVELAND, Ohio (AP) — A former sweep-up man, Henry Gilles of Euclid won a $97,500 settlement in U.S. District Court Monday from the Greyhound Bus Co.

Gilles had sued Greyhound as the result of an Ohio Turnpike accident in 1966 in which Gilles said he was injured.

His attorneys claim that Gilles suffered a broken ankle and thigh, making him unemployable.

Gilles, a bachelor, said he had no plans right now on what to do with the money.

New Parley Eyed On Guard System

A delegation from the board of education will seek another conference with city officials relative to the adult school guard crossing system here.

The action was taken during Monday night's board meeting following receipt of a letter from Council containing official notification that the city would be unable to provide the guards after Dec. 31.

—:—

COUNCIL, at its meeting last night, approved legislation winding up the city's responsibility for the program.

Board President Samuel W. Brown appointed members William Blair and Harry McConville to request a conference with Council, Mayor George E. Willshaw and Safety - Service Director Robert E. Vodrey following a general discussion of the situation.

Supt. Paul Blair pointed out there are eight guards at present — at 3rd and Jackson Sts.; 5th and Jackson Sts.; Pennsylvania Ave. and Oakland Ave.; Pennsylvania Ave. and Dewey Ave.; Lisbon St. and Boring Ln.; Anderson and McKinnon Sts.; St. Clair Ave. and McKinnon St., and at Westgate.

The guards are paid $1.50 per hour and work approximately two hours each day.

Supt. Blair said he felt there were three alternatives the bouard could take: One, request a meeting of the mayor, safety-service director and members of Council and a committee of the board; two, assume the responsibility for the guards ("but I don't know where the money would come from"); three, discontinue the guards.

The superintendent added, "Personally I feel the obligation is that of the community, not of a principal of a building or of a sixth-grader, to control traffic. I hope something constructive can be done in order that we may provide protection for the children of the community."

—:—

WILLIAM BLAIR said he was appalled by the action of Council. "It is their responsibility and not our responsibility," he said. "The city income tax should provide the money needed.

"This should be discussed further with them. We had a meeting with City Council and the mayor and they did not answer directly the reason for abandoning the project, but said at the same time they thought we were more capable of handling the program than they are. This is not so. I suggest we contact them for a meeting."

McConville agreed that the board should meet with Council again.

Thomas Rodfong said he was ashamed that the city can find no money "for the protection of the children."

Officers Jail Young Driver In Car Theft

A young suspect who refused to identify himself was jailed Monday night after a stolen car he was driving crashed into a parked auto at St. George St. and Virginia Ave., police reported.

The suspect fled on foot from the crash scene, but was overtaken and detained by Richard Bryor Jr. of 1101 Ohio Ave., a witness to the crash, officers said.

The youth was booked into jail as "John Doe" and identified as the driver of a 1962 model convertible owned by Henry Roach Jr. of 959 Pennsylvania Ave., which was stolen from Virginia Ave.

The car theft suspect was identified this morning as a 17-year-old resident of Ruth St., East End, which means his case will be referred to juvenile authorities.

The stolen auto crashed into a parked 1964 model auto owned by Henry Ward of 1106 St. George St., officers said.

Roach did not know his auto had been stolen until police recovered it, wrecked. He said he parked the auto on Virginia Ave. at 7:30. The collision was timed at 9:16.

After striking Ward's car, which was halted in front of the owner's home, the stolen auto continued on St. George St. and turned right onto Virginia Ave. The driver lost control as he rounded the turn and the car hit an Ohio Power Co. pole and a postal deposit box without causing any serious damage to either, officers said.

Ward and his daughter, Sheila, were alighting from their auto in front of their home when they saw a car proceeding west on St. George St. without headlights and on the wrong side of the street.

The vehicle struck Ward's car, damaging the left front door and fender. The Roach auto was damaged on both front fenders, officers said.

Santa and the HIPPIES

By LUCRECE BEALE

Synopsis: An elf tells Santa Claus of a boy so bad he doesn't deserve any Christmas. Santa says perhaps the boy would like to live in Hippieville.

CHAPTER 2

Edgar the elf went to see Henry Wetherspoon who called himself Ding Dong.

Ding Dong was lying on his back on his bedroom floor playing a zither with his toes. It was the middle of the night and his folks thought the sound of the zither was Ding Dong snoring in his bed. It was that kind of a sound.

Edgar slipped in the open window and grabbed Ding Dong by the toes. Twang! Clang! went the zither as two strings broke the popped Ding Dong on the nose.

Ding Dong sat up and stared at Edgar. "I'm dreaming! Man! What a dream!"

"You're not dreaming," snapped the elf. "I'm Edgar and though I'm an elf I'm real enough. I've come to tell you that Santa Claus is not at all pleased with the way you have been acting."

—:—

DING DONG rocked with laughter. "Who cares?" he said disdainfully.

Edgar glared. "Your Mother and your Father are not pleased either."

"So what?" snorted Ding Dong.

"If that's the way you feel," said Edgar, "perhaps you'd like to go to Hippieville. A lot of boys and girls live there who are just like you. They don't study. They don't take baths. They stay up all night."

"Wonderful!" cried Ding Dong. "How do I get to Hippieville?"

"Follow me," said Edgar and added with a sigh, "I hope you won't be sorry." He pulled himself up the bedroom curtains and slid out the window.

"Wait!" cried Ding Dong rushing to the window. "I can't see you!"

"Just come!" shouted Edgar. His voice sounded miles away.

—:—

DING DONG wiggled out the window but when he dropped to the ground he wasn't outdoors at all but in a long corridor that went on and on as far as he could see.

"Wait!" he shouted again. He couldn't even hear Edgar's reply. He thought of climbing back into his bedroom but the window wasn't there. There was nothing but the long, long corridor.

He began to run. Now he wasn't at all sure he wanted to go wherever it was he was going but there didn't seem to be anything else to do except run as fast as he could to get there.

Actually it wasn't a terribly long way. Ding Dong was hardly out of breath when the corridor ended. He was in a dirty street of tumbled - down houses. He went to the nearest house and knocked on the door. There was a lot of noise inside but no one came to the door. Ding Dong pushed it open and went in.

The house was packed with kids. They were dancing on the mantel and banging on dishpans and painting on the walls and shooting popguns at the chandelier.

There was not a grownup around to tell them to be quiet or stick in their shirt tails or get the hair out of their eyes or wipe their faces which were smeared with chocolate candy.

"This is living!" thought Ding Dong happily. "This is the place for me!"

Tomorrow: Fun with the Hippies

"This is the place for me!" cried Ding Dong.

Leetonia's Casey, Trombitas Make All-Northeast Class A

Sports Whirled

By TURK PIERCE
Review Sports Editor

This was truly a record-breaking year on the gridiron for West Virginia University.

There were 14 individual and three team records set as the Mountaineers rolled to a 7-3 record. The main record-breakers were sophomore quarterback Mike Sherwood of Bellaire an junior end Oscar Patrick

Sherwood had a field day as the Mountaineers trampled Pitt 38-15. He completed 27 passes, had 416 yards passing and 407 yards in total offense for new single game marks. Patrick caught 10 passes for 190 yards against Penn State for new records and Ken Juskowich booted a 49-yard field goal against Kentucky for a new record.

For the season, Sherwood attempted 264 passes, completed 151, ran 355 plays, gained 1,998 yards passing and 1,983 yards in total offense, all records. Patrick caught 50 passes for 770 yards for new marks and Thad Kucherawy got away 66 punts for a new season high. Juskowich set a career mark with 20 field goals. He has one season left.

The team marks were 29 pass completions for 435 yards against Pitt an 2,199 yards passing for the season.

PENN STATE dominated the WVU all-opponent team, placing 10 men on the 24-man squad. The Nittany Lions had end Ted Kwalick, tackle Dave Bradley, center Warren Koegel and tailback Charlie Pittman on offense and end Frank Spaziani, middle guard Jim Kates, tackles Steve Smear and Mike Reid, linebacker Dennis Onkotz and halfback Mike Smith on defense.

Pitt, by contrast, placed only offensive end Skip Orszulak. Kentucky and Virginia Tech, the other teams (with Penn State) to beat the Mountaineers, placed five and four men respectively.

WEST VIRGINIA U. football coach Jim Carlen will be the main speaker at the New Brighton boosters' club banquet to be held at the New Brighton fire hall at 6:30 Saturday evening.

DONALD L. LAUGHLIN, a former East Liverpool resident, is a member of the board of the Man O' War Racing Association of Media, Pa., one of the groups seeking a license for flat racing in Pennsylvania. Man O' War was not one of the four groups receiving licenses last week and plans to appeal the decision of the Pennsylvania Racing Commission to the state supreme court.

Laughlin is a 1946 graduate of East Liverpool High and holds degrees from Westminster College and Toronto U. in Canada. He is president of Riddle Memorial Hospital near Philadelphia, which is named for Samuel Riddle, who owned the horse Man O' War. Laughlin is married to the former Joyce English. The couple has three children.

DiCross Second Team Selection

Quarterback Ed Casey and Tim Trombitas, a deadly passing combination that sparked Leetonia to a 7-3 record this season, were named to the Associated Press Class A all-Northeastern Ohio football team announced today.

Ken DiCross, a hard-running halfback for the Bears, was named to the second team. There were no other Columbiana County gridders named.

Dick Crum of Mentor and Ron Chrismar of Canton McKinley were named co-coaches of the year for Northeastern AA schools and Bob Price of McDonald and Walt Vilk of Orwell Grand Valley were named co-coaches of the year for A schools.

The Class AA first team included tackle Fred Pisanelli of Warren Western Reserve and quarterback Gary Zetts of Struthers. Others on the first team offense were ends John Shinsky of Cleveland St. Joseph and Jim Svoboda of Lorain Senior, tackle Ernie McGeorge of Massillon, guards John Leibert of East Cleveland Shaw and Bill Olin of Ashtabula Harbor, center Tim McManus of Lakewood St. Edward and backs Doug Root of Cuyahoga Falls, Rick Galbos of Mentor, Don Pfeil of Cleveland St. Ignatius, Jim Smith of Massillon and Ray Evanchick of Cleveland St. Joseph.

The first team defense had ends Tom Rabatin of Wadsworth, Tom Tamburino of Youngstown Ursuline and Duane Derrick of Mentor; tackles Jon Brandyberry of Canton McKinley and Mal Stoudenmire of Cleveland Kennedy; guards Chris Zaffer of Elyria and Ray Sypert of Niles; linebackers Doug Molls of Parma Valley Forge, Rocco Rich of Canton McKinley and Roger Weir of Cleveland St. Ignatius, and deep backs Bill Drahuschak of Youngstown Chaney, Jim Lash of Akron Garfield, Terry Carner of Canton Central Catholic and Willie Avery of Cleveland Lincoln.

The second team included quarterback Dave Zoba of Warren Western Reserve and end Bob Ferranti of Boardman.

The Class A first team on offense had Trombitas, Ron Ward of Mogadore and Bob Krumpach of McDonald at ends; Don Wacker of Wellington and John Danis of Cuyahoga Heights at tackles; Bill Parsons of Kirtland and Ron Issac of Avon at guards; Don Gorman of North Lima at center, and Casey, John Toy of North Lima, Frank Coughlin of Lorain St. Mary's, Tom Mental of Newbury, Tom Zakowski of Orwell Grand Valley and Steve Broderick of Mogadore as backs.

The first team defense had Mike Campo of Lorain St. Mary's and Mike Krupa of Cleveland Lourdes Central Catholic at ends, Don Reinhard of Firelands and Ron Victory of Kirtland at tackles, Bob Boyce of Medina Buckeye and Tom Cleary of Fairport Harbor at guards, Joe Tucker of Lorain Clearview, Rich Reising of Cleveland Lutheran West and Andy Soloweyko of Orwell Grand Valley at linebackers; and Ron Yoder of Cardinal, Ken Burzanko of Berkshire, Jim Maxwell of Columbia and Bob Kucera of Kent State High at deep backs.

The second team included DiCross and Tom Morgan and Vern Woods, both of McDonald, at offensive back. Bill McMeans of North Lima made honorable mention.

O. J. IS TARGET. East Liverpol's Lou Holtz, defensive backfield coach at Ohio State, points to a picture of O. J. Simpson of Southern Cal, the man the Buckeyes must stop in the Rose Bowl New Year's Day.

O.J. Is O.K., Says Holtz, But Bucks Will Stop Him

By TURK PIERCE
Review Sports Editor

"O. J. Simpson of Southern Cal may be the best running back ever in college football", says Ohio State defensive backfield coach Lou Holtz, "but Ohio State will stop him in the Rose Bowl."

Holtz, an East Liverpool native, will speak tonight at the Beaver Local football banquet.

"O. J. is big enough to run over you, quick enough to run around you and fast enough to run away from you" Holtz enthuses. "He never gets hurt and is very durable. Some people like to downgrade Simpson by noting that he carries 30 times a game, but any coach that didn't have him carry 30 times a game deserves to be (at the state mental hospital) in Massillon.

"Our defense is fundamentally sound", Holtz says, "but we will add a few new wrinkles to stop Simpson and USC quarterback Steve Sogge. Our players will take the shortest course to O. J. and arrive in a bad mood. We plan to hit him harder than anyone has hit him all year."

The Ohio State defense has had good success in stopping fine players this season. Leroy Keyes of Purdue, Ed Podolak of Iowa and Ron Johnson of Michigan were all held under 100 yards by the aroused Buckeye defenders.

Holtz handles the four deep backs, which include rover back Jack Tatum, whom Holtz calls one of the finest athletes he has ever coached. Tatum was very successful in covering Keyes and Jerry Levias of SMU one-on-one. Holtz says Levias was far and away the best receiver to play against the Buckeyes this season.

Sometimes Tatum will be sent on what the pros call a "safety blitz". Ohio State uses a variety of defenses, according to Holtz, but usually the defense is similar to a pro defense. He notes that OSU has been better on defense against running than passing.

The Buckeyes will resume practice for the Rose Bowl on Dec. 16 and leave for Pasadena Dec. 20. Holtz views the game like the U.S. in the Olympics, with the Buckeyes representing the whole state of Ohio.

Holtz has coached at several major colleges, but says that the 1968 Buckeyes are the best team he has ever been associated with. He notes that the facilities are outstanding, the support tremendous and the winning tradition at OSU helps get the boys up for the games.

There are only four seniors among the 22 OSU starters, so things may get better. Holtz notes that some of the freshmen players will be a real help, especially Don Lamka of Cleveland South, whom he recruited. Lamka is a quarterback, and Holtz says he will play somewhere next year, even if he can't dislodge Rex Kern from the signal - calling post.

Last year Holtz was at South Carolina under Paul Dietzel and he previously coached under Forrest Evashevski at Iowa. Holtz notes that Woody Hayes, Dietzel and Evashevski all have different personalities, but their approach to football is very similar. Holtz says Hayes is probably the most demanding of the three, and that the OSU staff rarely sees their families during football season. "We've viewed an awful lot of films this year", he notes. Holtz goes on to say that the three well-known coaches are all fair with the boys and all have sound football minds.

Holtz graduated from East Liverpool High in 1954. He played football here and at Kent State U. He is married to the former Beth Barcus of East Liverpool.

Holtz has never seen Simpson play in person, but is looking forward to it on New Year's Day in Pasadena. Lou is confident that it won't be one of O. J.'s better days.

Ohio State Retains First, USC Nips PSU For 2nd

By The Associated Press

That Dream Match—the No. 1 team against the No. 2 outfit in the Rose Bowl—remained a reality today . . . but just barely.

Ohio State solidified its hold on the top spot in The Associated Press' major college football poll, but the Buckeyes' New Year's Day foe, Southern California, had only a precarious hold on second place after last weekend's 21-21 draw with Notre Dame.

The Buckeyes, who wound up their regular season on a 9-0 note Nov. 23, drew 34 of the 39 first place votes in amassing 770 points.

Southern Cal, the No. 1 team for six straight weeks before being displaced by Ohio State a week ago, had 631 points—only 1? more than No. 3 Penn State, 9-0 and Orange Bowl bound.

A week ago, Ohio State held only a 10-point margin over Southern Cal.

Because the race is so tight, the final AP poll of the season won't be released until after the Jan. 1 bowl games.

Georgia, 8-0-2, which polished off arch-rival Georgia Tech 47-8 last weekend, remained fourth, but Texas, 8-1-1, advanced a notch to fifth after routing Texas A&M 35-14 Thanksgiving Day.

Idle Kansas, 9-1, slipped to sixth, while Notre Dame's tie with UCS boosted the Irish, 7-2-1, up two spots to seventh.

Tennessee, 8-1-1, a 10-7 conqueror of stubborn Vanderbilt, was eighth, down one spot; idle Arkansas, 9-1, dropped one place to ninth, and Oklahoma jumped from 11th to 10th on the strength of a 41-7 blasting of Oklahoma State.

Idle Purdue, 8-2, moved from 12th to 11th; Alabama, 8-2, advanced from 15th to 12th following a 24-16 victory over Auburn; idle Michigan, 8-2, remained 13th; idle Oregon State, 7-3, held on to 14th, and surprising Ohio U., 10-0, leaped from 17th to 15th although it did not play.

Rounding out the top 20 were No. 16 Missouri, 7-3; No. 17 Arizona State, 8-2; Houston, down all the way to 18th from 10th after a 40-20 loss to Florida State that lifted the Seminoles from among the also rans into the No. 19 slot, and No. 20 Southern Methodist, a newcomer which finished with a 7-3 record Nov. 26.

Auburn, 18th last week, dropped from the rankings after the loss to Alabama. Also vanishing was Arizona (19th) after suffering a 30-7 drubbing by Arizona State.

Games Won't Count

Steubenville Ineligible For Big 8 Cage Title

Games involving Steubenville will not count in the Big 8 basketball league standings, it was decided at last night's meeting of the league in Salem.

The athletic directors, principals and coaches all recommended the action, because Steubenville, which is scheduled to drop out of the league after this season, would not schedule Barberton, the new member of the league. Barberton will be eligible for the conference title this season, as they play all other conference members.

It was announced that Robert Boyd, an assistant principal at Warren Western Reserve, would assist league commissioner Sim Earich starting the second semester of this year and would take over as commissioner when Earich retires at the end of this year. Boyd, a former Warren Harding coach, was one of the founders of the Big 8.

Principal Joseph Marra of Salem, the new president of the league, announced that Cuyahoga Falls had been asked to replace Steubenville, but that Principal Robert Parsons had said that Cuyahoga Falls hoped to get into an Akron league that covered football as well as basketball.

The league dues were raised from $50 to $75 a school, due to the low balance in the treasury.

The 1969 previews were set for Nov. 21 and Nov. 22 at Barberton and Alliance. It was recommended that the teams be mixed between the sites instead of adhering to north and south divisions as in the past.

The spring meeting was set for April 7 at the Town and Country Motel in Warren. It was suggested that the recreational facilities available to the players be emphasized more and that the college coaches attending must pay for their meals.

Earich noted that the Big 8 is the only conference in the state that pays mileage for officials, and he thought this was good.

Among those present was new Niles coach Tom Cera, an assistant who moved up to the head job when Bob Dahl resigned.

Three Games In 3 States Set Tonight

A slim scholastic basketball schedule tonight shows three games in three states.

The season gets under way for Midland, which entertains Western Beaver, and Oak Glen, which hosts South Side Beaver. Southern Local travels to Stanton.

Midland went 9-13 last season in coach Ed Olkowski's first year, but Leopard followers are looking for improvement this season, with sophomore George Green the key man. Western Beaver hopes to improve its 6-16 mark of a year ago under new coach Don Lenz.

Jack McDevitt, long - time Wellsville mentor, makes his debut at Oak Glen with an inexperienced team. South Side has dropped its first two contests, 54-49 to Sewickley Academy and 70-38 to Burgettstown.

Southern Local, expected to improve dramatically from last year's winless record, is 0-2, with a 58-52 loss to Jefferson Union and a 75-60 loss to Crestview.

Stanton dropped its opener 41-38 to Brilliant.

Two Beaver Players Make Pa. All-State

Two Beaver County gridders made the 11-man all-Pennsylvania football team announced today.

John Lewchinko, a 280-pound tackle from Beaver Falls, was named lineman of the year, while John Skorupan of Beaver was named at an end position.

Fullback Malcolm Lomax of Donora was named to the second team, while center George Feher of Aliquippa was honorable mention.

Juskowich Set For Senior Bowl

MORGANTOWN, W. Va. (AP)—Ken Juskowich, West Virginia's high scoring place kicker, has been invited to play in the Senior Bowl Jan. 11 at Mobile, Ala.

The 5 - foot - 11 senior from Bethel Park, Pa., will report for the first practice session Jan. 6.

He set the WVU record for most fields in one game when he booted five in last year's 15-0 defeat of Pitt.

UCLA Unanimous Choice In College Basketball Poll

By The Associated Press

UCLA was the unanimous No. 1 pick in The Associated Press preseason major college basketball poll. The Bruins still are.

UCLA was named first on all 24 ballots cast Monday by a panel of sports writers and broadcasters after opening its season last Saturday by beating Purdue 94-82.

UCLA has 480 points to 344 for second-place North Carolina, which opened its season Monday night by downing Oregon 89-78.

Third with 317 points is Kentopped Miami, Ohio, 86-77 Monday.

Kansas, 88-65 pinner over St. Louis Saturday, moved to fourth and Notre Dame, yet to play, dropped to fifth.

Houston moved into a sixth-lace tie with Davidson, New Mexico moved up to eighth from sninth Cincinnati jumped from 14th to ninth and Villanova advanced from 11th to 10th.

Leetonia's Casey, Trombitas Make All-Northeast Class A

Sports Whirled

By TURK PIERCE
Review Sports Editor

This was truly a record-breaking year on the gridiron for West Virginia University.

There were 14 individual and three team records set as the Mountaineers rolled to a 7-3 record. The main record-breakers were sophomore quarterback Mike Sherwood of Bellaire an junior end Oscar Patrick

Sherwood had a field day as the Mountaineers trampled Pitt 38-15. He completed 27 passes, had 416 yards passing and 407 yards in total offense for new single game marks. Patrick caught 10 passes for 190 yards against Penn State for new records and Ken Juskowich booted a 49-yard field goal against Kentucky for a new record.

For the season, Sherwood attempted 264 passes, completed 151, ran 355 plays, gained 1,998 yards passing and 1,983 yards in total offense, all records. Patrick caught 50 passes for 770 yards for new marks and Thad Kucherawy got away 66 punts for a new season high. Juskowich set a career mark with 20 field goals. He has one season left.

The team marks were 29 pass completions for 435 yards against Pitt an 2,199 yards passing for the season.

PENN STATE dominated the WVU all-opponent team, placing 10 men on the 24-man squad. The Nittany Lions had end Ted Kwalick, tackle Dave Bradley, center Warren Koegel and tailback Charlie Pittman on offense and end Frank Spaziani, middle guard Jim Kates, tackles Steve Smear and Mike Reid, linebacker Dennis Onkotz and halfback Mike Smith on defense.

Pitt, by contrast, placed only offensive end Skip Orszulak. Kentucky and Virginia Tech, the other teams (with Penn State) to beat the Mountaineers, placed five and four men respectively.

WEST VIRGINIA U. football coach Jim Carlen will be the main speaker at the New Brighton boosters' club banquet to be held at the New Brighton fire hall at 6:30 Saturday evening.

DONALD L. LAUGHLIN, a former East Liverpool resident, is a member of the board of the Man O' War Racing Association of Media, Pa., one of the groups seeking a license for flat racing in Pennsylvania. Man O' War was not one of the four groups receiving licenses last week and plans to appeal the decision of the Pennsylvania Racing Commission to the state supreme court.

Laughlin is a 1946 graduate of East Liverpool High and holds degrees from Westminster College and Toronto U. in Canada. He is president of Riddle Memorial Hospital near Philadelphia, which is named for Samuel Riddle, who owned the horse Man O' War. Laughlin is married to the former Joyce English. The couple has three children.

DiCross Second Team Selection

Quarterback Ed Casey and Tim Trombitas, a deadly passing combination that sparked Leetonia to a 7-3 record this season, were named to the Associated Press Class A all-Northeastern Ohio football team announced today.

Ken DiCross, a hard-running halfback for the Bears, was named to the second team. There were no other Columbiana County gridders named.

Dick Crum of Mentor and Ron Chrismar of Canton McKinley were named co-coaches of the year for Northeastern AA schools and Bob Price of McDonald and Walt Vilk of Orwell Grand Valley were named co-coaches of the year for A schools.

The Class AA first team included tackle Fred Pisanelli of Warren Western Reserve and quarterback Gary Zetts of Struthers. Others on the first team offense were ends John Shinsky of Cleveland St. Joseph and Jim Svoboda of Lorain Senior, tackle Ernie McGeorge of Massillon, guards John Leibert of East Cleveland Shaw and Bill Olin of Ashtabula Harbor, center Tim McManus of Lakewood St. Edward and backs Doug Root of Cuyahoga Falls, Rick Galbos of Mentor, Don Pfeil of Cleveland St. Ignatius, Jim Smith of Massillon and Ray Evanchick of Cleveland St. Joseph.

The first team defense had ends Tom Rabatin of Wadsworth, Tom Tamburino of Youngstown Ursuline and Duane Derrick of Mentor; tackles Jon Brandyberry of Canton McKinley and Mal Stoudenmire of Cleveland Kennedy; guards Chris Zaffer of Elyria and Ray Sypert of Niles; linebackers Doug Molls of Parma Valley Forge, Rocco Rich of Canton McKinley and Roger Weir of Cleveland St. Ignatius, and deep backs Bill Drahuschak of Youngstown Chaney, Jim Lash of Akron Garfield, Terry Carner of Canton Central Catholic and Willie Avery of Cleveland Lincoln.

The second team included quarterback Dave Zoba of Warren Western Reserve and end Bob Ferranti of Boardman.

The Class A first team on offense had Trombitas, Ron Ward of Mogadore and Bob Krumpach of McDonald at ends; Don Wacker of Wellington and John Danis of Cuyahoga Heights at tackles; Bill Parsons of Kirtland and Ron Issac of Avon at guards; Don Gorman of North Lima at center, and Casey, John Toy of North Lima, Frank Coughlin of Lorain St. Mary's, Tom Mental of Newbury, Tom Zakowski of Orwell Grand Valley and Steve Broderick of Mogadore as backs.

The first team defense had Mike Campo of Lorain St. Mary's and Mike Krupa of Cleveland Lourdes Central Catholic at ends, Don Reinhard of Firelands and Ron Victory of Kirtland at tackles, Bob Boyce of Medina Buckeye and Tom Cleary of Fairport Harbor at guards, Joe Tucker of Lorain Clearview, Rich Reising of Cleveland Lutheran West and Andy Soloweyko of Orwell Grand Valley at linebackers; and Ron Yoder of Cardinal, Ken Burzanko of Berkshire, Jim Maxwell of Columbia and Bob Kucera of Kent State High at deep backs.

The second team included DiCross and Tom Morgan and Vern Woods, both of McDonald, at offensive back. Bill McMeans of North Lima made honorable mention.

O.J. Is O.K., Says Holtz, But Bucks Will Stop Him

By TURK PIERCE
Review Sports Editor

"O. J. Simpson of Southern Cal may be the best running back ever in college football", says Ohio State defensive backfield coach Lou Holtz, "but Ohio State will stop him in the Rose Bowl."

Holtz, an East Liverpool native, will speak tonight at the Beaver Local football banquet.

"O. J. is big enough to run over you, quick enough to run around you and fast enough to run away from you" Holtz enthuses. "He never gets hurt and is very durable. Some people like to downgrade Simpson by noting that he carries 30 times a game, but any coach that didn't have him carry 30 times a game deserves to be (at the state mental hospital) in Massillon.

"Our defense is fundamentally sound", Holtz says, "but we will add a few new wrinkles to stop Simpson and USC quarterback Steve Sogge. Our players will take the shortest course to O. J. and arrive in a bad mood. We plan to hit him harder than anyone has hit him all year."

The Ohio State defense has had good success in stopping fine players this season. Leroy Keyes of Purdue, Ed Podolak of Iowa and Ron Johnson of Michigan were all held under 100 yards by the aroused Buckeye defenders.

Holtz handles the four deep backs, which include rover back Jack Tatum, whom Holtz calls one of the finest athletes he has ever coached. Tatum was very successful in covering Keyes and Jerry Levias of SMU one-on-one. Holtz says Levias was far and away the best receiver to play against the Buckeyes this season.

Sometimes Tatum will be sent on what the pros call a "safety blitz". Ohio State uses a variety of defenses, according to Holtz, but usually the defense is similar to a pro defense. He notes that OSU has been better on defense against running than passing.

The Buckeyes will resume practice for the Rose Bowl on Dec. 16 and leave for Pasadena Dec. 20. Holtz views the game like the U.S. in the Olympics, with the Buckeyes representing the whole state of Ohio.

Holtz has coached at several major colleges, but says that the 1968 Buckeyes are the best team he has ever been associated with. He notes that the facilities are outstanding, the support tremendous and the winning tradition at OSU helps get the boys up for the games.

There are only four seniors among the 22 OSU starters, so things may get better. Holtz notes that some of the freshmen players will be a real help, especially Don Lamka of Cleveland South, whom he recruited. Lamka is a quarterback, and Holtz says he will play somewhere next year, even if he can't dislodge Rex Kern from the signal - calling post.

Last year Holtz was at South Carolina under Paul Dietzel and he previously coached under Forrest Evashevski at Iowa. Holtz notes that Woody Hayes, Dietzel and Evashevski all have different personalities, but their approach to football is very similar. Holtz says Hayes is probably the most demanding of the three, and that the OSU staff rarely sees their families during football season. "We've viewed an awful lot of films this year", he notes. Holtz goes on to say that the three well-known coaches are all fair with the boys and all have sound football minds.

Holtz graduated from East Liverpool High in 1954. He played football here and at Kent State U. He is married to the former Beth Barcus of East Liverpool.

Holtz has never seen Simpson play in person, but is looking forward to it on New Year's Day in Pasadena. Lou is confident that it won't be one of O. J.'s better days.

Pete Maravich Nets 52, LSU Whips Loyola (La.)

By MIKE RECHT
Associated Press Sports Writer

The college basketball season is only two days old, but already the names have a familiar ring—North Carolina, Kentucky, Houston, Pete Maravich, Charlie Scott, Mike Casey, George Thompson, Ken Spain.

North Carolina, which went to the NCAA finals against UCLA last year, did little to damage its No. 2 ranking with a 89-78 victory over visiting Oregon with Scott playing the leading role.

Close behind at No. 3, Kentucky relied on Casey in the final 75 seconds for a 86-77 triumph over host Miami of Ohio. And Houston, tied for the sixth spot despite the absence of Elvin Hayes, made it two straight with a 80-60 rout over Pepperdine with Spain leading the way.

Maravich, the nation's leading scorer with a 42.8 point a game average last season, gave notice that he is out to defend that title by dropping in 52 points as Louisiana State romped past New Orleans Loyola 109-82.

Thompson, a main reason for Marquette's tie for 20th ranking, notched 18 points in a 68-45 breeze past St. John's of Minnesota.

The other top 20 teams in action also emerged unscathed as Cincinnati, No. 9, beat Kansas State 86-70; Vanderbilt, No. 12, slipped by Southern Methodist 97-94; Duke, No. 16, blasted Alabama 86-48; Western Kentucky, No. 17, crushed Southeast Louisiana 101-62, and California, No. 19, tripped San Francisco 82-71.

Scott, fresh from the Olympics, finished with 34 points, including the important ones that blunted several Oregon rushes at the Tar Heels. His four quick baskets put North Carolina ahead 50-39 at halftime, and when the Ducks pulled within 62-60, he took up the scoring again and also set up baskets with steals.

Oregon had one last shot at 75-72, but the Tar Hells' four corner offense took them out of danger.

Casey, who totaled 20 points, two less than teammate Dan Issel, dropped in two baskets in the last 1:15 after Miami pulled within 78-76. The Wildcats added four free throws to put the game out of reach.

Houston had five players in double figures, led by Spain's 23, as the Cougars built a 41-27 halftime lead at home and coasted. Maravich, the 6-foot-5 son of LSU Coach Press Maravich, clicked on 22 of 31 field goal tries and hit 9 of 10 free throws, along with 11 assists and seven rebounds. By halftime, LSU led 62-34.

Marquette, leading 37-30 at intermission despite hitting only 20 per cent from the field, pulled away in the final half behind Thompson's scoring and rebounding.

Cincinnati won its second in a row on the scoring of Don Ogletree, 28 points, and Rick Robbeson's 19 points and 14 rebounds.

Vanderbilt, however, had its troubles, trailing through most of the first half in a game that had 14 lead changes. Rudy Thacker jump shot for a 93-92 lead and then his three-point play with nine seconds left finally clinched the victory.

Tom Hagan of Vanderbilt and Bill Voight of SMU each had 24 points.

Duke breezed to its second triumph and Coach Vic Bubas' 200th with sophomore Randy Denton scoring 17 points and hauling in 14 rebounds.

Garrett, Nix Repeat

N. Dakota St., San Diego Pace Small College A-A

By HERSCHEL NISSENSON
Associated Press Sports Writer

NEW YORK (AP) — North Dakota State and San Diego State, the top-rated small college teams in the country, have placed two players apiece on The Associated Press' 1968 Little All-America football squad.

Both schools had one man in the offensive backfield and another on the defensive line. They were halfback Paul Hatchett and defensive tackle Jim Ferge from top-ranked North Dakota State and fullback Lloyd Edwards and defensive end Fred Dryer from No. 2 San Diego State. The Aztecs had been No. 1 most of the season.

Named to the select small college eleven for the third straight time were Carl Garrett, New Mexico Highlands halfback, and Dwayne Nix, a split end from Texas A&I.

Rounding out the offensive usit were end Bruce Cerone of Emporia, Kan., State, tackles Denny Nelson of Illinois State and Jim Urczyk of Central Missouri State, guards Dan Klepper of Omaha and Larry Small of Northern Arizona, center Dick Dobbert of Springfield and quarterback Sonny Wade of Emory & Henry.

The other members of the defensive platoon included end Tally Windham of McMurry, tackle Bill Bailey of Lewis & Clark, middle guard Ron Brown of Tampa, linebackers Bill Bergey of Arkansas State, Tim Buchanan of Hawaii and Tom McCall of Fresno State and backs Dan Eckstein of Presbyterian, Jim Marsalis of Tennessee A&I State and Jack O'Brien of Colorado State College.

Quarterback Wade, a 6-foot-3 senior, led Emory & Henry to a 9-1 record by completing 175 of 350 passes for 2,695 yards and 28 touchdowns. He also ran for 259 yards and nine TDs and did the placement kicking.

Halfbacks Hatchett and Garrett rambled for 1,213 and 1,373 yards, respectively, as their teams went through 9-0 regular seasons. The tremendously strong, 245-pound Edwards, also a fine blocker, was San Diego State's top ground-gainer.

Cerone, a junior split end who is eligible for the pro draft this year, shattered three NAIA receving marks—91 catches for 1,479 yards and a per game average of 164.3 yards—and equaled the standard of 15 touchdown catches.

Nix, the other end, was the object of multiple coverage, leaving other receivers open, but still grabbed 33 tosses for 498 yards and helped Texas A&I into the NAIA national championship game Dec. 14.

Illinois State's Nelson, a proven defensive star, switched to fulltime offense and helped his team set a school rushing record. He also played defense when needed. Urczyk, the other tackle, received the highest rating in the Missouri-Kansas area.

Dallas Chaps Upset Oaks In ABA Play

By The Associated Press

The Phoenix Suns, who are used to it, and the Oakland Oaks, who are not, both came out losers Monday night, but in different leagues.

The Dallas Chaparrals nipped Oakland 112-111, handing the Oaks only their third setback in 19 American Basketball Association starts.

Meanwhile, the expansion Suns of the National Basketball Association dropped their 11th in a row, losing to Seattle 118-108, and fell deeper into the NBA's Western Division cellar.

In the night's only other pro basketball action, Miami downed Indiana 109-104 in the ABA.

The Oakland-Dallas game was decided on Cincy Powell's 15-foot jump shot with 15 seconds left. Oakland's Rich Barry led all scorers with 32 and also engaged in a shoving and wrestling match with Spider Bennett of Dallas. Neitha was ejected. Ron Boone paced the Chaps with 29 points.

Lennie Wilkens and Bob Rule combined for 64 points to pace Seattle over Phoenix. The SuperSonics trailed through the final period to win going away. Wilkens had 33 points and Rule 31, 22 in the second half.

Wellsville Wins Pair Over Beaver Cagers

Wellsville won a basketball doubleheader yesterday, downing Beaver Local in seventh and eighth grade games at Beaver Local.

The eighth grade contest was 31-20 as Rick Carter scored 11 for the winners and Steve Linger and Dave Wilson five each for the losers.

WELLSVILLE	6	8	6	11	—31
BEAVER LOC.	7	2	7	4	—20

In the seventh grade game Wellsville won 45-17. Ken Brophey and Gary Allison had 8 each for the winners and Eric Hoppel and Pete Shaw four each for the losers.

WELLSVILLE	8	13	10	14	—45
BEAVER LOC.	3	3	6	5	—17

Kentucky Scared By Miami (O.)

By The Associated Press

Spunky Miami gave No. 3 ranked Kentucky a few anxious momenst in a college basketball clash Monday night.

The Wildcats came out on top 36-77 after Mike Casey sparked an eight-point attack in the final minute of play.

Kentucky took command early, brushing aside the Redskins' stinging attacks, and had a 38-30 halftime lead.

The Wildcats enjoyed a 61-41 lead with 10 minutes left in the game, and it looked like smooth sailing ahead, but Miami battled back to within two points, 78-76, with 1:15 remaining. Then Kentucky poured on the final steam.

Frank Lukacs led the Mid-American Conference team in scoring with 20 points. The game's high scorer was Kentucky's Dan Issel with 22 points.

The game inaugurated Miami's new $7.5 million John D. Millett Assembly Hall.

In other action, Cincinnati, favored to win the Missouri Valley Conference title, coasted over Kansas State 86-70. Led by sharpshooter Don Ogletree, who had a game-high 28 points, the Bearcats maintained a comfortable lead throughout the game.

Kent State opened its season by squashing Oshkosh state 83-52. The Golden Flashes consistently piled up their lead until, with nine minutes left to play and ahead 61-39, Coach Frank Truitt sent in his second-stringers. Doug Grayson led the Kent State scoring with 19 points.

Bowling Green handled Baldwin-Wallace with ease, downing the winless Yellow Jackets 87-77. The Falcons never were headed after early in the first period as sophomore guard Rich Walker scored a game-high 29 points.

Hotshots Tom Schlager and Joe Gramada sparked a 61 per cent first-half shooting performance as Xavier stormed to a 26-11 lead in the first 11 minutes and then coasted to a 79-66 victory over Thomas More. The game's high scorer was Musketeer John Wenderfer, with 25 points.

In other games, Ohio Northern edged Urbana 83-80 in a game that saw the lead change hands until the final seconds; John Carroll slipped by Wheeling 83-82 on John Mullally's free throw with 21 seconds left; and West Virginia State, led by Alan Hamilton's 32 points, downed defending NAIA champion Central State 95-91 in overtime.

In action tonight, Ohio University clashes with Indiana to headline an otherwise meager fare of Ohio college games.

The Bobcats open their home basketball season in the school's new $8.5 million, 13,080 - seat Convocation Center. Dedication ceremonies precede the game, highlighted by a special "jump ball" by Ohio U. President Vernon Alden and Athletic Director Bill Rohr.

GRID GUESTS. Guests at the Chester Mice football little league banquet Saturday night were Mike McVay (left), Mike Sherwood (center), Marv Six (second from right) and speaker Charles Taylor (right). Mice coach Al Clutter is second from left.

Sherwood, McVay, Six Guests At Mice Banquet

Three distinguished football players were present as guests at the banquet of the Chester Mice football little league team Saturday night at American Legion Post 121.

The guests were Mike McVay, outstanding player on the East Liverpool High team last year now attending West Virginia U.; Marv Six, former Oak Glen player now on the West Virginia U. varsity, and Mike Sherwood, the outstanding sophomore quarterback of the Mountaineers. Charles Taylor, president of the National Church Supply Co., was the main speaker and talked on supporting a team through thick and thin and playing the game the right way regardless of the outcome.

Head coach Al Clutter presented trophies to the cheerleaders and members of the unbeaten Pee Wee team as well as the members of the Mice team. Clutter introduced his assistant coaches, Bill Glass, Don Glass and Bud Hobbs.

Mice jerseys were presented to the graduating players, Jack and John Mumaw, Jim Fox, Brad Glass, Russell Waite, Jim Price, Chipper Clutter, Steve DeLong, Rob Mumford, Bobby Davis, Rex Milner and Bob and Duke Reed.

Bryan Jones and Gary Murray were honored as mascots and Bob Reed and Mike Manypenny were recognized for officiating.

Vern Jones served as m.c. and presented trophies to the coaches.

Kenyon College Football Undergoes Transformation

By SPIV HARRIS
Mount Vernon News

GAMBIER, Ohio (AP) — Ohio's huge football schools produced the headlines and high national ratings but a prenniel have-not, Kenyon College, created the biggest surprise of the 1968 Buckeye collegiate campaign.

Little Kenyon, long noted for academics but little noticed in Ohio Conference football, amazed even its most loyal alumni by capturing five of nine games for its first winning season since 1950 and only the 15th winner in 78 years of intercollegiate football.

This year's 5-4 record is even more amazing in light of football events on "The Hill" the previous four campaigns, when Kenyon won only two of 34 starts. The Lords were winless in 1964 and 1967 and won but one game each in 1965 and 1966.

A 31 - 28 verdict at Hiram snapped a 24-game OC losing streak.

Head football coach and athletic director Phil Morse credits a number of reasons for the successful season, but lists "The excellent cooperation of the administration, our coaching staff and the players" as the No. 1 reason.

However, to outside observe the winning record mirrored Kenyon's new outlook on football—the "It's fun to win" attitude—plus sound coaching and good physical conditioning. Kenyon people learned that winning isn't a dirty word a few years ago when the basketball team began showing muscles to OC opponents.

The more immediate reason for the victorious season was the presence of a ball-moving passing combination, quarterback Bill Christen and split end Chris Myers, both sophomores.

Myers, a 19-year-old, 6-foot-2 Cincinnati Wyoming high product, set new Ohio Conference pass catching records by grabbing 86 of Christen's passes for a record 1,157 yards and nine touchdowns. The old OC receiving records were 49 catches for 886 yards.

Christen, a graduate of Lima Catholic, completed 112 of 205 passes for 1,376 yards and 10 touchdowns. Although Christen trailed a couple of other OC passers in completions and attempts, his completion average, 54.1 per cent was the highest in the conference. He also threw fewer interceptions than the other top passers.

The Lords were not among the OC leaders in rushing and defense, but a hardnose freshman back, Mike Black of Lima, led in the league in punt return yardage and spearheaded Kenyon's ground attack. A pair of sophs, Roland Parson of Washington, D. C., and Barry Direnfeld of Cleveland, were the team's No. 2 runners, even though Direnfeld was sidelined by a leg injury the last five games.

Kenyon started the season with a squad of 54 but, due to injuries, had only 32 for the final game. Among the 38 letter winners were six seniors, five juniors, 12 sophs and 15 freshmen.

About half of the freshmen and sophomores were persuaded to enroll at Kenyon by Morse and his top aides, Tom Mchugh and John Dulske, all of whom arrived on The Hill in the summer of 1967.

"We're very limited in recruiting due to Kenyon's high academic standards and Ohio Conference rules," Morse explained. "But we make every effort to induce high school football players with high scholastic records to come here and play football."

Fuller Rests Case

State Witnesses Testify In Dancer's Image Trial

LOUISVILLE, Ky. (AP) — The Kentucky Racing Commission, given a liberal dose of chemistry for nine days, now switches its attention to the three men who handled Dancer's Image during the week of the Kentucky Derby.

All were summoned as witnesses for the state today to explain what happened to the colt just before he was deprived of his 1968 Derby winnings.

Lou Cavalaris and Robert Barnard, who trained Dancer's Image, face questioning as to his physical condition prior to the May 4 event. The other witness will be Dr. Alex Harthill, the veterinarian.

The state is attempting to prove that Dancer's Image bothered by sore ankles prior to the Derby, made a "miraculous recovery" and went on to win.

His victory was set aside by Churchill Downs stewards after receiving a report there was an illegal medication, phenylbutazone, in the horse's urine.

That decision was appealed by owner Peter Fuller, who brought numerous chemists here to attack the validity of the tests runs by state chemist Kenneth W. Smith.

Fuller's last witness was John McDonald, director of the Illinois Racing Board Police Laboratory.

McDonald testified that he never would have made a positive report to the Churchill Downs stewards on the basis of the five tests made by Smith.

He singled out Smith's color tests for Phenylbutazone as incomplete and looking at the results of one of them, he remarked, "I've never seen a Vitali's test like this in my life."

McDonald said he had run 2,000 such tests but that Smith's did not confirm the presence of the drug.

Under cross-examination, McDonald admitted that his experience with horse urine was less than one year but pointed out he had many years experience in the detection of other drugs.

Pete Maravich Nets 52, LSU Whips Loyola (La.)

By MIKE RECHT
Associated Press Sports Writer

The college basketball season is only two days old, but already the names have a familiar ring —North Carolina, Kentucky, Houston, Pete Maravich, Charlie Scott, Mike Casey, George Thompson, Ken Spain.

North Carolina, which went to the NCAA finals against UCLA last year, did little to damage its No. 2 ranking with a 89-78 victory over visiting Oregon with Scott playing the leading role.

Close behind at No. 3, Kentucky relied on Casey in the final 75 seconds for a 86-77 triumph over host Miami of Ohio. And Houston, tied for the sixth spot despite the absence of Elvin Hayes, made it two straight with a 80-60 rout over Pepperdine with Spain leading the way.

Maravich, the nation's leading scorer with a 42.8 point a game average last season, gave notice that he is out to defend that title by dropping in 52 points as Louisiana State romped past New Orleans Loyola 109-82.

Thompson, a main reason for Marquette's tie for 20th ranking, notched 18 points in a 68-45 breeze past St. John's of Minnesota.

The other top 20 teams in action also emerged unscathed as Cincinnati, No. 9, beat Kansas State 86-70; Vanderbilt, No. 12, slipped by Southern Methodist 97-94; Duke, No. 16, blasted Alabama 86-48; Western Kentucky, No. 17, crushed Southeast Louisiana 101-62, and California, No. 19, tripped San Francisco 82-71.

Scott, fresh from the Olympics, finished with 34 points, including the important ones that blunted several Oregon rushes at the Tar Heels. His four quick baskets put North Carolina ahead 50-39 at halftime, and when the Ducks pulled within 62-60, he took up the scoring again and also set up baskets with steals.

Oregon had one last shot at 75-72, but the Tar Hells' four corner offense took them out of danger.

Casey, who totaled 20 points, two less than teammate Dan Issel, dropped in two baskets in the last 1:15 after Miami pulled within 78-76. The Wildcats added four free throws to put the game out of reach.

Houston had five players in double figures, led by Spain's 23, as the Cougars built a 41-27 halftime lead at home and coasted. Maravich, the 6-foot-5 son of LSU Coach Press Maravich, clicked on 22 of 31 field goal tries and hit 9 of 10 free throws, along with 11 assists and seven rebounds. By halftime, LSU led 62-34.

Marquette, leading 37-30 at intermission despite hitting only 20 per cent from the field, pulled away in the final half behind Thompson's scoring and rebounding.

Cincinnati won its second in a row on the scoring of Don Ogletree, 28 points, and Rick Robbers son's 19 points and 14 rebounds.

Vanderbilt, however, had its troubles, trailing through most of the first half in a game that had 14 lead changes. Rudy Thacker jump shot for a 93-92 lead and then his three-point play with nine seconds left finally clinched the victory.

Tom Hagan of Vanderbilt and Bill Voight of SMU each had 24 points.

Duke breezed to its second triumph and Coach Vic Bubas' 200th with sophomore Randy Denton scoring 17 points and hauling in 14 rebounds.

GRID GUESTS. Guests at the Chester Mice football little league banquet Saturday night were Mike McVay (left), Mike Sherwood (center), Marv Six (second from right) and speaker Charles Taylor (right). Mice coach Al Clutter is second from left.

Sherwood, McVay, Six Guests At Mice Banquet

Three distinguished football players were present as guests at the banquet of the Chester Mice football little league team Saturday night at American Legion Post 121.

The guests were Mike McVay, outstanding player on the East Liverpool High team last year now attending West Virginia U.; Marv Six, former Oak Glen player now on the West Virginia U. varsity, and Mike Sherwood, the outstanding sophomore quarterback of the Mountaineers. Charles Taylor, president of the National Church Supply Co., was the main speaker and talked on supporting a team through thick and thin and playing the game the right way regardless of the outcome.

Head coach Al Clutter presented trophies to the cheerleaders and members of the unbeaten Pee Wee team as well as the members of the Mice team. Clutter introduced his assistant coaches, Bill Glass, Don Glass and Bud Hobbs.

Mice jerseys were presented to the graduating players, Jack and John Mumaw, Jim Fox, Brad Glass, Russell Waite Jim Price, Chipper Clutter, Steve DeLong, Rob Mumford, Bobby Davis, Rex Milner and Bob and Duke Reed.

Bryan Jones and Gary Murray were honored as mascots and Bob Reed and Mike Manypenny were recognized for officiating.

Vern Jones served as m.c. and presented trophies to the coaches.

Garrett, Nix Repeat

N. Dakota St., San Diego Pace Small College A-A

By HERSCHEL NISSENSON
Associated Press Sports Writer

NEW YORK (AP) — North Dakota State and San Diego State, the top-rated small college teams in the country, have placed two players apiece on The Associated Press' 1968 Little All-America football squad.

Both schools had one man in the offensive backfield and another on the defensive line. They were halfback Paul Hatchett and defensive tackle Jim Ferge from top-ranked North Dakota State and fullback Lloyd Edwards and defensive end Fred Dryer from No. 2 San Diego State. The Aztecs had been No. 1 most of the season.

Named to the select small college eleven for the third straight time were Carl Garrett, New Mexico Highlands halfback, and Dwayne Nix, a split end from Texas A&I.

Rounding out the offensive usit were end Bruce Cerone of Emporia, Kan., State, tackles Denny Nelson of Illinois State and Jim Urczyk of Central Missouri State, guards Dan Klepper of Omaha and Larry Small of Northern Arizona, center Dick Dobbert of Springfield and quarterback Sonny Wade of Emory & Henry.

The other members of the defensive platoon included end Tally Windham of McMurry, tackle Bill Bailey of Lewis & Clark, middle guard Ron Brown of Tampa, linebackers Bill Bergey of Arkansas State, Tim Buchanan of Hawaii and Tom McCall of Fresno State and backs Dan Eckstein of Presbyterian, Jim Marsalis of Tennessee A&I State and Jack O'Brien of Colorado State College.

Quarterback Wade, a 6-foot-3 senior, led Emory & Henry to a 9-1 record by completing 175 of 350 passes for 2,695 yards and 28 touchdowns. He also ran for 259 yards and nine TDs and did the placement kicking.

Halfbacks Hatchett and Garrett rambled for 1,213 and 1,373 yards, respectively, as their teams went through 9-0 regular seasons. The tremendously strong, 245-pound Edwards, also a fine blocker, was San Diego State's top ground-gainer.

Cerone, a junior split end who is eligible for the pro draft this year, shattered three NAIA receving marks—91 catches for 1,479 yards and a per game average of 164.3 yards—and equaled the standard of 15 touchdown catches.

Nix, the other end, was the object of multiple coverage, leaving other receivers open, but still grabbed 33 tosses for 498 yards and helped Texas A&I into the NAIA national championship game Dec. 14.

Illinois State's Nelson, a proven defensive star, switched to fulltime offense and helped his team set a school rushing record. He also played defense when needed. Urczyk, the other tackle, received the highest rating in the Missouri-Kansas area.

Dallas Chaps Upset Oaks In ABA Play

By The Associated Press

The Phoenix Suns, who are used to it, and the Oakland Oaks, who are not, both came out losers Monday night, but in different leagues.

The Dallas Chaparrals nipped Oakland 112-111, handing the Oaks only their third setback in 19 American Basketball Association starts.

Meanwhile, the expansion Suns of the National Basketball Association dropped their 11th in a row, losing to Seattle 118-108, and fell deeper into the NBA's Western Division cellar.

In the night's only other pro basketball action, Miami downed Indiana 109-104 in the ABA.

The Oakland-Dallas game was decided on Cincy Powell's 15-foot jump shot with 15 seconds left. Oakland's Rich Barry led all scorers with 32 and also engaged in a shoving and wrestling match with Spider Bennett of Dallas. Neitha was ejected. Ron Boone paced the Chaps with 29 points.

Lennie Wilkens and Bob Rule combined for 64 points to pace Seattle over Phoenix. The SuperSonics trailed through the final period to win going away. Wilkens had 33 points and Rule 31, 22 in the second half.

Wellsville Wins Pair Over Beaver Cagers

Wellsville won a basketball doubleheader yesterday, downing Beaver Local in seventh and eighth grade games at Beaver Local.

The eighth grade contest was 31-20 as Rick Carter scored 11 for the winners and Steve Linger and Dave Wilson five each for the losers.

WELLSVILLE	6	8	6	11	—31
BEAVER LOC.	7	2	7	4	—20

In the seventh grade game Wellsville won 45-17. Ken Brophey and Gary Allison had 8 each for the winners and Eric Hoppel and Pete Shaw four each for the losers.

Kentucky Scared By Miami (O.)

By The Associated Press

Spunky Miami gave No. 3 ranked Kentucky a few anxious momenst in a college basketball clash Monday night.

The Wildcats came out on top 86-77 after Mike Casey sparked an eight-point attack in the final minute of play.

Kentucky took command early, brushing aside the Redskins' stinging attacks, and had a 38-30 halftime lead.

The Wildcats enjoyed a 61-41 lead with 10 minutes left in the game, and it looked like smooth sailing ahead, but Miami battled back to within two points, 78-76, with 1:15 remaining. Then Kentucky poured on the final steam.

Frank Lukacs led the Mid-American Conference team in scoring with 20 points. The game's high scorer was Kentucky's Dan Issel with 22 points.

The game inaugurated Miami's new $7.5 million John D. Millett Assembly Hall.

In other action, Cincinnati, favored to win the Missouri Valley Conference title, coasted over Kansas State 86-70. Led by sharpshooter Don Ogletree, who had a game-high 28 points, the Bearcats maintained a comfortable lead throughout the game.

Kent State opened its season by squashing Oshkosh state 83-52. The Golden Flashes consistently piled up their lead until, with nine minutes left to play and ahead 61-39, Coach Frank Truitt sent in his second-stringers. Doug Grayson led the Kent State scoring with 19 points.

Bowling Green handled Baldwin-Wallace with ease, downing the winless Yellow Jackets 87-77. The Falcons never were headed after early in the first period as sophomore guard Rich Walker scored a game-high 29 points.

Hotshots Tom Schlager and Joe Gramada sparked a 61 per cent first-half shooting performance as Xavier stormed to a 26-11 lead in the first 11 minutes and then coasted to a 79-66 victory over Thomas More. The game's high scorer was Musketeer John Wenderfer, with 25 points.

In other games, Ohio Northern edged Urbana 83-80 in a game that saw the lead change hands until the final seconds; John Carroll slipped by Wheeling 83-82 on John Mullally's free throw with 21 seconds left; and West Virginia State, led by Alan Hamilton's 32 points, downed defending NAIA champion Central State 95-91 in overtime.

In action tonight, Ohio University clashes with Indiana to headline an otherwise meager fare of Ohio college games.

The Bobcats open their home basketball season in the school's new $8.5 million, 13,080 - seat Convocation Center. Dedication ceremonies precede the game, highlighted by a special "jump ball" by Ohio U. President Vernon Alden and Athletic Director Bill Rohr.

Kenyon College Football Undergoes Transformation

By SPIV HARRIS
Mount Vernon News

GAMBIER, Ohio (AP) — Ohio's huge football schools produced the headlines and high national ratings but a prenniel have-not, Kenyon College, created the biggest surprise of the 1968 Buckeye collegiate campaign.

Little Kenyon, long noted for academics but little noticed in Ohio Conference football, amazed even its most loyal alumni by capturing five of nine games for its first winning season since 1950 and only the 15th winner in 78 years of intercollegiate football.

This year's 5-4 record is even more amazing in light of football events on "The Hill" the previous four campaigns, when Kenyon won only two of 34 starts. The Lords were winless in 1964 and 1967 and won but one game each in 1965 and 1966.

A 31 - 28 verdict at Hiram snapped a 24-game OC losing streak.

Head football coach and athletic director Phil Morse credits a number of reasons for the successful season, but lists "The excellent cooperation of the administration, our coaching staff and the players" as the No. 1 reason.

However, to outside observe the winning record mirrored Kenyon's new outlook on football—the "It's fun to win" attitude—plus sound coaching and good physical conditioning. Kenyon people learned that winning isn't a dirty word a few years ago when the basketball team began showing muscles to OC opponents.

The more immediate reason for the victorious season was the presence of a ball-moving passing combination, quarterback Bill Christen and split end Chris Myers, both sophomores.

Myers, a 19-year-old, 6-foot-2 Cincinnati Wyoming high product, set new Ohio Conference pass catching records by grabbing 86 of Christen's passes for a record 1,157 yards and nine touchdowns. The old OC receiving records were 49 catches for 886 yards.

Christen, a graduate of Lima Catholic, completed 112 of 205 passes for 1,376 yards and 10 touchdowns. Although Christen trailed a couple of other OC passers in completions and attempts, his completion average, 54.1 per cent was the highest in the conference. He also threw fewer interceptions than the other top passers.

The Lords were not among the OC leaders in rushing and defense, but a hardnose freshman back, Mike Black of Lima, led in the league in punt return yardage and spearheaded Kenyon's ground attack. A pair of sophs, Roland Parson of Washington, D. C., and Barry Direnfeld of Cleveland, were the team's No. 2 runners, even though Direnfeld was sidelined by a leg injury the last five games.

Kenyon started the season with a squad of 54 but, due to injuries, had only 32 for the final game. Among the 38 letter winners were six seniors, five juniors, 12 sophs and 15 freshmen.

About half of the freshmen and sophomores were persuaded to enroll at Kenyon by Morse and his top aides, Tom Mchugh and John Dulske, all of whom arrived on The Hill in the summer of 1967.

"We're very limited in recruiting due to Kenyon's high academic standards and Ohio Conference rules," Morse explained. "But we make every effort to induce high school football players with high scholastic records to come here and play football."

State Witnesses Testify In Dancer's Image Trial

LOUISVILLE, Ky. (AP) — The Kentucky Racing Commission, given a liberal dose of chemistry for nine days, now switches its attention to the three men who handled Dancer's Image during the week of the Kentucky Derby.

All were summoned as witnesses for the state today to explain what happened to the colt just before he was deprived of his 1968 Derby winnings.

Lou Cavalaris and Robert Barnard, who trained Dancer's Image, face questioning as to his physical condition prior to the May 4 event. The other witness will be Dr. Alex Harthill, the veterinarian.

The state is attempting to prove that Dancer's Image bothered by sore ankles prior to the Derby, made a "miraculous recovery" and went on to win.

His victory was set aside by Churchill Downs stewards after receiving a report there was an illegal medication, phenylbutazone, in the horse's urine.

That decision was appealed by owner Peter Fuller, who brought numerous chemists here to attack the validity of the tests runs by state chemist Kenneth W. Smith.

Fuller's last witness was John McDonald, director of the Illinois Racing Board Police Laboratory.

McDonald testified that he never would have made a positive report to the Churchill Downs stewards on the basis of the five tests made by Smith.

He singled out Smith's color tests for Phenylbutazone as incomplete and looking at the results of one of them, he remarked, "I've never seen a Vitali's test like this in my life,"

McDonald said he had run 2,000 such tests but that Smith's did not confirm the presence of the drug.

Under cross-examination, McDonald admitted that his experience with horse urine was less than one year but pointed out he had many years experience in the detection of other drugs.

HINTS FROM HELOISE

An End To The Drip Grind

DEAR HELOISE: We have a whole menagerie of kids in our house — you won't believe it, but eleven to be exact.

Heloise

I got tired of mopping the bathroom floor every night after bath time. And trying to save on our budget, I couldn't wash bathmats every day.

So I took an old worn-out chenille bedspread and cut the good parts out and made me some good, easy-to-wash bathmats.

(Used the good parts for the top, the next best parts for the bottoms, the oldest disintegrated parts for filler and stitched it all around and across with my sewing machine using a big stitch.)

Now, what do you think about that?

BUDGET-MINDED MOM."

-:-

I think it's the greatest, sweetie-pie!

So instead of throwing those old bedspreads away, let's utilize them, gals. They wash like magic in the machine and since they have been previously washed many, many times, they absorb the water readily and dry quickly.

Only one suggestion I have is, don't make these bathmats too large. Remember, if you have three small ones, they can be washed just as easily as a large one. Besides, if you have one great big one, it seems to always be wet in the middle but dry around the edges.

When one kiddo gets out of the tub and soaks the bathmat, rub it around with your foot to absorb all "wild water" and hang it out on the line.

Here's another little hint I want to give you mothers: Bathmats do not HAVE to be washed daily. You are clean when you get out of the tub! They don't collect soil and body oil like wash rags and bath towels do when we wash and dry ourselves.

So instead of washing them so often, why not put them out on the line to dry or tumble them between washings?

HELOISE.

LETTER OF LAUGHTER

DEAR HELOISE: In answer to the reader who asks why sheets have a large hem at one end and a small hem at the other.

It is in order not to alternate between covering the nose and toes. I would prefer to keep the bottom of the sheet at the foot of the bed!

SATISFIED.

DEAR HELOISE: This is for mothers who have small children with birthdays right at Christmas. They often feel cheated because there's not too much significance to their birthday with all the other holiday festivities.

Last year my little daughter, whose birthday is December 29, was six years old and I wanted it to be a special occasion. So this is what I did.

I stripped our Christmas tree of the decorations and lights (leaving my other house decorations up), and replaced the cotton under the tree with pink crepe paper. Then decorated the tree with colored baskets of candy, hats, horns, masks and other favors. The effect was amazing. The children placed their presents under the tree and each child picked his own favor from the tree.

The party was a success from the minute they walked in and saw the "Birthday Tree."

SUE WEAVER.

-:-

DEAR GALS: Now don't think that this is a Letter of Laughter because it isn't.

Have you ever worn a velvet dress to a party and when you sit down, the pile crushes in the seat?

Well I didn't cure the cause, but I sure helped solve the problem on mine by pinning a piece of HEAVY plastic on the back, outside of my slip at the waistline. This can be attached with tiny little safety pins and removed easily.

It seems to keep the heat from my body going through to the velvet and causing it to crush.

HELOISE.

DEAR HELOISE: I've noticed people in the post office with stacks of cards trying to LICK the stamps. What a job!

When I have a great many envelopes to stamp, I carry in my purse a small, water-soaked sponge wrapped in a piece of aluminum foil.

Sure saves time . . .

Three Pittsburgh Youths Held In Robbery-Slaying

HARRISBURG (AP) — Three Pittsburgh teen-agers were held without bond here today in a $70,000 bank robbery in which a hard-of-hearing customer was shot to death and a non-resident, off duty cop emerged the hero.

As the suspects fled the scene, they left a trail of packets of $1, $5 and $10 bills, police said.

Dauphin County Dist. Atty. LeRoy S. Zimmerman identified the trio as Samuel Barlow, 18, and Foster Lee Tarver and Sharon M. Wiggins, both 17.

Zimmerman said all three were charged with murder, aggravated robbery, conspiracy, violation of the Uniform Firearms Act and larceny of a car.

The victim of the 9:40 a.m. shooting in the Market Street branch of the Dauphin Deposit Trust Co., was George S. Morelock, 64, Harrisburg, pronounced dead on arrival at Harrisburg Hospital.

A. W. Castle, III, Mechanicsburg, a policeman in Lower Allen Township in adjacent Cumberland County, gave a vital assist in the capture of the suspects, police said.

Ohioan, 27, Charged With Fatal Shooting

CLEVELAND, Ohio (AP) — Myrna H. Gray, 27, was charged with first-degree murder Monday in the fatal shooting Nov. 16 of Lawrence Sosna, 45, a partner in an East Side bar.

Sosna was shot in the stomach after he reportedly refused to cash a check for a customer. He died in Lakeside Hospital about nine hours after the shooting.

Become Effective April 27

U.S. Issues Curbs Aimed At Air Traffic Congestion

By The Associated Press

WASHINGTON (AP) — The federal government for the first time has issued restrictions aimed at easing the mounting problem of air traffic congestion.

The restrictions at five airports in Washington, New York, and Chicago become effective April 27, a date set because airlines normally change their schedules about then.

The Federal Aviation Agency, setting the hourly limits in a new rule issued Monday night, indicated its action was a stopgap measure and that the answer to congestion lies in building more airports.

An FAA spokesman said the limits, expected to draw bitter criticism from small plane operators, were the first ever set directly because of congestion.

He said the government limited flights at Washington's National Airport two years ago because ground facilities, such as restaurants and rest rooms, were overtaxed.

Major airlines gave somewhat reluctant support to the restrictions after their proposal earlier this year following massive air tieups in July. An FAA official said the big carriers felt they needed some curbs for their own good.

The Department of Transportation, parent agency of the FAA, said it again will propose legislation to provide for the needed expansion. It proposed a plan last year, but opposition was stiff and Congress did not act.

The new limitation, proposed Sept. 4, would hold landings and takeoffs to 135 an hour at O'Hare Airport in Chicago, 80 at Kennedy International in New York and 60 at New York's LaGuardia, Newark Airport and Washington National.

O'Hare has had as many as 82 more flights in an hour, Kennedy 48 more.

Small planes would be barred entirely from Kennedy Airport between 5 p.m. and 8 p.m. daily, a peak period. And they would be given only a few landings and takeoffs at other hours.

But the FAA dropped another provision the small-plane operators said would have discriminated against them. It would have required two pilots and a minimum air speed of 150 knots for all planes in the area of the five airports in bad-weather conditions.

And the limitation system, to be operated by the FAA, will allow more flights when possible "without significant additional delay."

The government began working on the flight limitations plan after massive tieups and long delays in the airways system last summer.

Worst of the tieups first occurred when traffic controllers, saying they were overburdened, slowed to a level they said conformed strictly to FAA rules. More controllers now are being added by the FAA.

'Keep 'Em Guessing' Tactics

LBJ Not Changing Ways As His 'Swan Song' Nears

WASHINGTON (AP) — President Johnson, whose credo has sometimes seemed to be "keep 'em guessing," doesn't appear to be changing his ways in the final days of his administration.

Johnson watchers, conditioned by some pretty staggering surprises in the past five years, are busy trying to figure out just what—if anything—the chief executive is planning for a White House swan song.

And Johnson aides, showing a little of the same conditioning, have appeared to adopt the policy of not ruling anything out.

That was the position taken Monday by the State Department on the No. 1 item in the guessing game—whether Johnson still hopes to have a summit session with Soviet leaders on curbing the missile race.

"There has never been a time or place or the level agreed upon," said press officer Robert J. McCloskey.

McCloskey had been asked about comments Secretary of State Dean Rusk made Sunday on television that seemed to imply the possibility a summit session was very much alive. Rusk had said there were no plans now for such a meeting, but—that phrase again—he didn't want to "rule it out."

"The secretary expressed the theoretical possibility such a meeting might take place. But he did not intend to imply any planning was taking place," said McCloskey—in a "clarifying" statement that didn't do much to cool off the guessing.

He also said that Soviet Premier Alexei N. Kosygin had raised the possibility of a summit session on missile curbs with several recent U.S. visitors to Moscow.

Johnson reportedly had been looking forward eagerly to such a session last summer but called it off after the Soviet invasion of Czechoslovakia.

No. 2 item in the capital guessing game is whether Johnson will call a special session of the Senate to vote on ratification of the treaty banning the spread of nuclear weapons.

In a familiar variation of the "don't rule it out" line, the Texas White House said last week "no decision has been made."

Then, in a classic understatement, the White House spokesman said:

"Until a decision is made, it would be premature to speculate on what might or might not happen."

If Johnson should decide the climate is right for a missile-curb summit, he presumably wouldn't be bound by tradition to give much notice.

When the President decides to make one of his quick jaunts around the country he has been known to give the press corps half an hour to make an airport trip that sometimes takes longer.

And when he made a globe-girdling trip to Australia, Vietnam and Rome last December, he didn't give newsmen an awful lot more notice.

The possibility of a summit and—or—a special Senate session are the chief pieces in the guessing game. But there could be something else not visible on the horizon now.

Johnson watchers, who witnessed the buildup of suspense over selection of Hubert Humphrey as a running mate in 1964 and were stunned by Johnson's decision not to run for re-election are willing to bet on only one thing—the weeks before Jan. 20 won't be entirely placid.

Work On Jail Studied Again

Council and Health Board members held another inconclusive discussion Monday night on the board's request for renovation of City Jail, a subject that dates back to September.

Dr. J. Keith Rugh, chairman of the Health Board, cited again the board's recommendations for repair and renovation — including provision of "adequate" shower and toilet facilities; repair of windows and cell locks; a general cleaning and painting "to get rid of bugs" and a provision for mattresses and other bedding for long-time prisoners.

Councilmen joined Mayor George E. Willshaw and Safety-Service Director Robert E. Vodrey in pointing out that a lack of adequate finances is the major factor in delaying a general renovation.

"The way it is right now (with funds unavailable) you couldn't even buy a mop," Vodrey told the Health Board.

But the administration and Council promised that steps will be taken to correct some of the alleged defects when funds are set up in the 1969 appropriation ordinance.

"I think it is the feeling of Council that everything possible will be done. . ." President Norman Bucher told the board.

Councilman Robert Sample told the Health Board he can recall twice the cellblocks were repainted and "both times the paint was defaced in a day or two with flames from cigaret lighters with all sorts of filthy sayings. . ." He added that the jail is swept each morning and is mopped with a disinfectant solution on alternate days. Prisoners clog the toilets as rapidly as they are cleared, he said.

The Health Board suggested that the police department make it a point to notify Municipal Judge Samuel M. Chertoff when a prisoner damages property in the jail, so that he can be given an additional fine or jail time. Dr. Rugh said the Health Board may request Police Chief A. J. Radeschi to attend its next meeting to discuss conditions in the jail.

In addition to Dr. Rugh, the Health Department was represented by Don Mackey and Paul Zehnder, members of the board, Health Commissioner Jack Bonner and Ben Weber, sanitary officer.

Four More Ohioans Victims In Vietnam

WASHINGTON (AP) — Three soldiers and two Marines from Ohio have died in Vietnam, the Defense Department reported Monday.

The Army men were Spec. 4 Ervin E. Harris of Oregon, Pfc. James K. Parks of London and Spec. 4 Marshall R. Smith of Cleveland. The Marines were Lance Cpl. Michael D. Turner of Gahanna and Pfc. John H. Roach of Warren.

HINTS FROM HELOISE

An End To The Drip Grind

DEAR HELOISE: We have a whole menagerie of kids in our house — you won't believe it, but eleven to be exact.

Heloise

I got tired of mopping the bathroom floor every night after bath time. And trying to save on our budget, I couldn't wash bathmats every day.

So I took an old worn-out chenille bedspread and cut the good parts out and made me some good, easy-to-wash bathmats.

(Used the good parts for the top, the next best parts for the bottoms, the oldest disintegrated parts for filler and stitched it all around and across with my sewing machine using a big stitch.)

Now, what do you think about that?

BUDGET-MINDED MOM."

-:-

I think it's the greatest, sweetie-pie!

So instead of throwing those old bedspreads away, let's utilize them, gals. They wash like magic in the machine and since they have been previously washed many, many times, they absorb the water readily and dry quickly.

Only one suggestion I have is, don't make these bathmats too large. Remember, if you have three small ones, they can be washed just as easily as a large one. Besides, if you have one great big one, it seems to always be wet in the middle but dry around the edges.

When one kiddo gets out of the tub and soaks the bathmat, rub it around with your foot to absorb all "wild water" and hang it out on the line.

Here's another little hint I want to give you mothers: Bathmats do not HAVE to be washed daily. You are clean when you get out of the tub! They don't collect soil and body oil like wash rags and bath towels do when we wash and dry ourselves.

So instead of washing them so often, why not put them out on the line to dry or tumble them between washings?

HELOISE.

LETTER OF LAUGHTER

DEAR HELOISE: In answer to the reader who asks why sheets have a large hem at one end and a small hem at the other.

It is in order not to alternate between covering the nose and toes. I would prefer to keep the bottom of the sheet at the foot of the bed!

SATISFIED.

DEAR HELOISE: This is for mothers who have small children with birthdays right at Christmas. They often feel cheated because there's not too much significance to their birthday with all the other holiday festivities.

Last year my little daughter, whose birthday is December 29, was six years old and I wanted it to be a special occasion. So this is what I did.

I stripped our Christmas tree of the decorations and lights (leaving my other house decorations up), and replaced the cotton under the tree with pink crepe paper. Then decorated the tree with colored baskets of candy, hats, horns, masks and other favors. The effect was amazing. The children placed their presents under the tree and each child picked his own favor from the tree.

The party was a success from the minute they walked in and saw the "Birthday Tree."

SUE WEAVER.

-:-

DEAR GALS: Now don't think that this is a Letter of Laughter because it isn't.

Have you ever worn a velvet dress to a party and when you sit down, the pile crushes in the seat?

Well I didn't cure the cause, but I sure helped solve the problem on mine by pinning a piece of HEAVY plastic on the back, outside of my slip at the waistline. This can be attached with tiny little safety pins and removed easily.

It seems to keep the heat from my body going through to the velvet and causing it to crush.

HELOISE.

DEAR HELOISE: I've noticed people in the post office with stacks of cards trying to LICK the stamps. What a job!

When I have a great many envelopes to stamp, I carry in my purse a small, water-soaked sponge wrapped in a piece of aluminum foil.

Sure saves time . . .

Three Pittsburgh Youths Held In Robbery-Slaying

HARRISBURG (AP) — Three Pittsburgh teen-agers were held without bond here today in a $70,000 bank robbery in which a hard-of-hearing customer was shot to death and a non-resident, off duty cop emerged the hero.

As the suspects fled the scene, they left a trail of packets of $1, $5 and $10 bills, police said.

Dauphin County Dist. Atty. LeRoy S. Zimmerman identified the trio as Samuel Barlow, 18, and Foster Lee Tarver and Sharon M. Wiggins, both 17.

Zimmerman said all three were charged with murder, aggravated robbery, conspiracy, violation of the Uniform Firearms Act and larceny of a car.

The victim of the 9:40 a.m. shooting in the Market Street branch of the Dauphin Deposit Trust Co., was George S. Morelock, 64, Harrisburg, pronounced dead on arrival at Harrisburg Hospital.

A. W. Castle, III, Mechanicsburg, a policeman in Lower Allen Township in adjacent Cumberland County, gave a vital assist in the capture of the suspects, police said.

Ohioan, 27, Charged With Fatal Shooting

CLEVELAND, Ohio (AP) — Myrna H. Gray, 27, was charged with first-degree murder Monday in the fatal shooting Nov. 16 of Lawrence Sosna, 45, a partner in an East Side bar.

Sosna was shot in the stomach after he reportedly refused to cash a check for a customer. He died in Lakeside Hospital about nine hours after the shooting.

Become Effective April 27

U.S. Issues Curbs Aimed At Air Traffic Congestion

By The Associated Press

WASHINGTON (AP) — The federal government for the first time has issued restrictions aimed at easing the mounting problem of air traffic congestion.

The restrictions at five airports in Washington, New York, and Chicago become effective April 27, a date set because airlines normally change their schedules about then.

The Federal Aviation Agency, setting the hourly limits in a new rule issued Monday night, indicated its action was a stopgap measure and that the answer to congestion lies in building more airports.

An FAA spokesman said the limits, expected to draw bitter criticism from small plane operators, were the first ever set directly because of congestion.

He said the government limited flights at Washington's National Airport two years ago because ground facilities, such as restaurants and rest rooms, were overtaxed.

Major airlines gave somewhat reluctant support to the restrictions after their proposal earlier this year following massive air tieups in July. An FAA official said the big carriers felt they needed some curbs for their own good.

The Department of Transportation, parent agency of the FAA, said it again will propose legislation to provide for the needed expansion. It proposed a plan last year, but opposition was stiff and Congress did not act.

The new limitation, proposed Sept. 4, would hold landings and takeoffs to 135 an hour at O'Hare Airport in Chicago, 80 at Kennedy International in New York and 60 at New York's LaGuardia, Newark Airport and Washington National.

O'Hare has had as many as 82 more flights in an hour, Kennedy 48 more.

Small planes would be barred entirely from Kennedy Airport between 5 p.m. and 8 p.m. daily, a peak period. And they would be given only a few landings and takeoffs at other hours.

But the FAA dropped another provision the small-plane operators said would have discriminated against them. It would have required two pilots and a minimum air speed of 150 knots for all planes in the area of the five airports in bad-weather conditions.

And the limitation system, to be operated by the FAA, will allow more flights when possible "without significant additional delay."

The government began working on the flight limitations plan after massive tieups and long delays in the airways system last summer.

Worst of the tieups first occurred when traffic controllers, saying they were overburdened, slowed to a level they said conformed strictly to FAA rules. More controllers now are being added by the FAA.

'Keep 'Em Guessing' Tactics

LBJ Not Changing Ways As His 'Swan Song' Nears

WASHINGTON (AP) — President Johnson, whose credo has sometimes seemed to be "keep 'em guessing," doesn't appear to be changing his ways in the final days of his administration.

Johnson watchers, conditioned by some pretty staggering surprises in the past five years, are busy trying to figure out just what—if anything—the chief executive is planning for a White House swan song.

And Johnson aides, showing a little of the same conditioning, have appeared to adopt the policy of not ruling anything out.

That was the position taken Monday by the State Department on the No. 1 item in the guessing game—whether Johnson still hopes to have a summit session with Soviet leaders on curbing the missile race.

"There has never been a time or place or the level agreed upon," said press officer Robert J. McCloskey.

McCloskey had been asked about comments Secretary of State Dean Rusk made Sunday on television that seemed to imply the possibility a summit session was very much alive. Rusk had said there were no plans now for such a meeting, but—that phrase again—he didn't want to "rule it out."

"The secretary expressed the theoretical possibility such a meeting might take place. But he did not intend to imply any planning was taking place," said McCloskey—in a "clarifying" statement that didn't do much to cool off the guessing.

He also said that Soviet Premier Alexei N. Kosygin had raised the possibility of a summit session on missile curbs with several recent U.S. visitors to Moscow.

Johnson reportedly had been looking forward eagerly to such a session last summer but called it off after the Soviet invasion of Czechoslovakia.

No. 2 item in the capital guessing game is whether Johnson will call a special session of the Senate to vote on ratification of the treaty banning the spread of nuclear weapons.

In a familiar variation of the "don't rule it out" line, the Texas White House said last week "no decision has been made."

Then, in a classic understatement, the White House spokesman said:

"Until a decision is made, it would be premature to speculate on what might or might not happen."

If Johnson should decide the climate is right for a missile-curb summit, he presumably wouldn't be bound by tradition to give much notice.

When the President decides to make one of his quick jaunts around the country he has been known to give the press corps half an hour to make an airport trip that sometimes takes longer.

And when he made a globe-girdling trip to Australia, Vietnam and Rome last December, he didn't give newsmen an awful lot more notice.

The possibility of a summit and—or—a special Senate session are the chief pieces in the guessing game. But there could be something else not visible on the horizon now.

Johnson watchers, who witnessed the buildup of suspense over selection of Hubert Humphrey as a running mate in 1964 and were stunned by Johnson's decision not to run for re-election are willing to bet on only one thing—the weeks before Jan. 20 won't be entirely placid.

Work On Jail Studied Again

Council and Health Board members held another inconclusive discussion Monday night on the board's request for renovation of City Jail, a subject that dates back to September.

Dr. J. Keith Rugh, chairman of the Health Board, cited again the board's recommendations for repair and renovation — including provision of "adequate" shower and toilet facilities; repair of windows and cell locks; a general cleaning and painting "to get rid of bugs" and a provision for mattresses and other bedding for long-time prisoners.

Councilmen joined Mayor George E. Willshaw and Safety-Service Director Robert E. Vodrey in pointing out that a lack of adequate finances is the major factor in delaying a general renovation.

"The way it is right now (with funds unavailable) you couldn't even buy a mop," Vodrey told the Health Board.

But the administration and Council promised that steps will be taken to correct some of the alleged defects when funds are set up in the 1969 appropriation ordinance.

"I think it is the feeling of Council that everything possible will be done. . ." President Norman Bucher told the board.

Councilman Robert Sample told the Health Board he can recall twice the cellblocks were repainted and "both times the paint was defaced in a day or two with flames from cigaret lighters with all sorts of filthy sayings. . ." He added that the jail is swept each morning and is mopped with a disinfectant solution on alternate days. Prisoners clog the toilets as rapidly as they are cleared, he said.

The Health Board suggested that the police department make it a point to notify Municipal Judge Samuel M. Chertoff when a prisoner damages property in the jail, so that he can be given an additional fine or jail time. Dr. Rugh said the Health Board may request Police Chief A. J. Radeschi to attend its next meeting to discuss conditions in the jail.

In addition to Dr. Rugh, the Health Department was represented by Don Mackey and Paul Zehnder, members of the board, Health Commissioner Jack Bonner and Ben Weber, sanitary officer.

Four More Ohioans Victims In Vietnam

WASHINGTON (AP) — Three soldiers and two Marines from Ohio have died in Vietnam, the Defense Department reported Monday.

The Army men were Spec. 4 Ervin E. Harris of Oregon, Pfc. James K. Parks of London and Spec. 4 Marshall R. Smith of Cleveland. The Marines were Lance Cpl. Michael D. Turner of Gahanna and Pfc. John H. Roach of Warren.

Put a song in their hearts this Christmas
WITH A
WURLITZER® PIANO or ORGAN

The Christmas you give a Wurlitzer is a Christmas never to be forgotten—by you or your family. Because a Wurlitzer puts a song in their hearts, and stars in their eyes, for a lifetime.

WURLITZER SPINET ORGAN
With a new Wurlitzer breakthrough in electronic design and methods of organ building, Wurlitzer brings you the finest organ ever built in this price class . . . with Spectra-Tone® sound-in-motion, Sustain Percussion, Slide and many more exciting features. Contemporary Mahogany, incl. bench, from $895.

WURLITZER CONSOLE PIANO
Full scale 40" console piano with exclusive features which have made Wurlitzer famous. In tone and durability, this Wurlitzer piano offers a quality far exceeding what you would expect at this price . . . a truly great investment for the family that knows and appreciates excellence. Contemporary Mahogany, plus bench, only from $695.

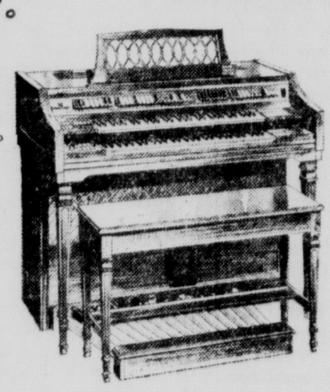

WURLITZER ELECTRONIC PORTABLE PIANO
It's as new as tomorrow! Only 40" wide, this piano is perfect anywhere space is at a premium. Because it's electronic, the volume is variable. You simply adjust volume as you desire. For silent operation, just plug in the earphones. Deep red, forest green, jet black or golden beige — plus bench and earphones, $390.

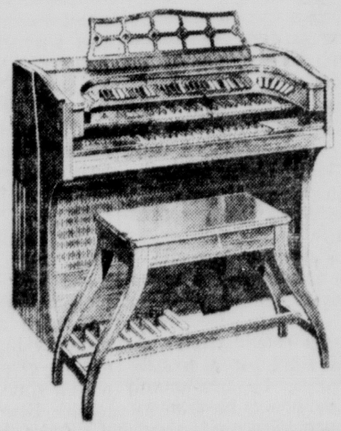

WURLITZER SPINET PIANO
Authentic Early American styling in honey-toned maple beautifully expresses the warmth of early Americana. Exclusive Wurlitzer features assure you a superlative piano with a rich, resonant tone to match the exquisite beauty of the cabinet. Early American Maple, plus bench, $725 . . . Contemporary mahogany, plus bench, only $695.

WURLITZER SPINET PIANO
Full scale 88-note spinet with Hexagonal Soundboard, 6-post back, grand piano type, hardrock maple pin block. A beautiful piano in striking Contemporary Mahogany, plus bench, only $569 . . . in Ebony . . . plus bench, only from $549.

WURLITZER PROFESSIONAL CONSOLE ORGAN
The ultimate in home and professional use, this Total Tone® organ features two 61-note keyboards, a 25-note pedalboard and Dual-Channel System for stereophonic effects. Other features include Dual-Speed Spectra-Tone® sound-in-motion, Multi-Matic Percussion® (including Chimes), Capture and Cancel Pistons, Reverb and Slide. Contemporary Sable Brown Mahogany. Incl. bench, $2510.

WURLITZER THEATRE SPINET ORGAN
The new Wurlitzer Theatre Spinet Organ features the traditional theatre Horseshoe Design . . . combines exclusive Wurlitzer Total Tone® electronic circuitry of today with the grandeur of the Mighty Wurlitzer of yesteryear. Organ includes such features as Multi-Matic Percussion® with Toy Counter™ sound effects and Spectra-Tone® sound-in-motion. In rich walnut, incl. bench, $1525.

This year make it a Merry Music Christmas with a Wurlitzer Organ or Piano

Wurlitzer Organs start at $699 . . . Wurlitzer Pianos at $495

Put a song in their hearts this Christmas
WITH A
WURLITZER® PIANO or ORGAN

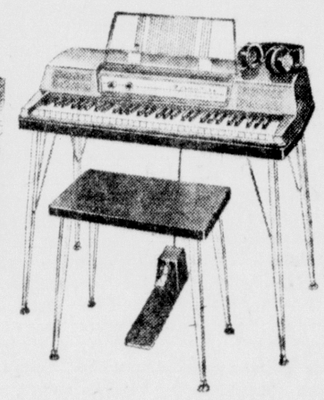

The Christmas you give a Wurlitzer is a Christmas never to be forgotten—by you or your family. Because a Wurlitzer puts a song in their hearts, and stars in their eyes, for a lifetime.

WURLITZER SPINET ORGAN
With a new Wurlitzer breakthrough in electronic design and methods of organ building, Wurlitzer brings you the finest organ ever built in this price class . . . with Spectra-Tone® sound-in-motion, Sustain Percussion, Slide and many more exciting features. Contemporary Mahogany, incl. bench, from $895.

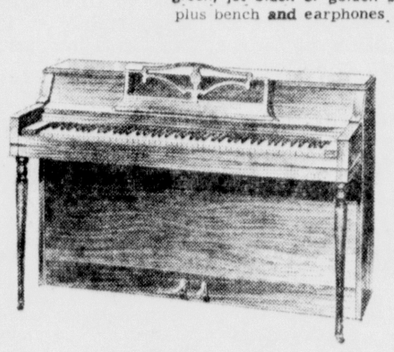

WURLITZER CONSOLE PIANO
Full scale 40" console piano with exclusive features which have made Wurlitzer famous. In tone and durability, this Wurlitzer piano offers a quality far exceeding what you would expect at this price . . . a truly great investment for the family that knows and appreciates excellence. Contemporary Mahogany, plus bench, only from $695.

WURLITZER ELECTRONIC PORTABLE PIANO
It's as new as tomorrow! Only 40" wide, this piano is perfect anywhere space is at a premium. Because it's electronic, the volume is variable. You simply adjust volume as you desire. For silent operation, just plug in the earphones. Deep red, forest green, jet black or golden beige — plus bench and earphones, $390.

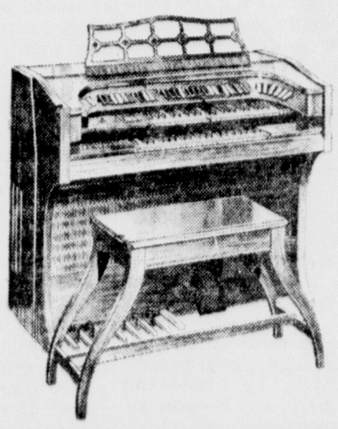

WURLITZER SPINET PIANO
Authentic Early American styling in honey-toned maple beautifully expresses the warmth of early Americana. Exclusive Wurlitzer features assure you a superlative piano with a rich, resonant tone to match the exquisite beauty of the cabinet. Early American Maple, plus bench, $725 . . . Contemporary mahogany, plus bench, only $695.

WURLITZER THEATRE SPINET ORGAN
The new Wurlitzer Theatre Spinet Organ features the traditional theatre Horseshoe Design . . . combines exclusive Wurlitzer Total Tone® electronic circuitry of today with the grandeur of the Mighty Wurlitzer of yesteryear. Organ includes such features as Multi-Matic Percussion® with Toy Counter™ sound effects and Spectra-Tone® sound-in-motion. In rich walnut, incl. bench, $1525.

WURLITZER PROFESSIONAL CONSOLE ORGAN
The ultimate in home and professional use, this Total Tone® organ features two 61-note keyboards, a 25-note pedalboard and Dual-Channel System for stereophonic effects. Other features include Dual-Speed Spectra-Tone® sound-in-motion, Multi-Matic Percussion® (including Chimes), Capture and Cancel Pistons, Reverb and Slide. Contemporary Sable Brown Mahogany. Incl. bench, $2510.

This year make it a Merry Music Christmas with a Wurlitzer Organ or Piano

Today In History

By The Associated Press

Today is Tuesday, Dec. 3, the 338th day of 1968. There are 28 days left in the year.

On this date in 1917, President Woodrow Wilson asked Congress to declare war against Austria-Hungary.

In 1615, the Brazilian city of Para was founded.

In 1818, Illinois became the 21st state.

In 1828, Andrew Jackson was elected president, defeating President John Quincy Adams.

In 1868, former Confederate President Jefferson Davis went on trial for treason in the circuit court for Virginia.

In 1894, the Scottish writer, Robert Louis Stevenson, died on the Pacific island of Samoa.

In 1944, in World War II, American military forces crossed the Saair River in Germany.

Ten years ago — President Dwight D. Eisenhower issued an executive order to settle a dispute between the new national space agency and the Army. The Jet Propulsion Laboratory at Pasadena, Calif., was transferred to NASA.

Junior Editors Quiz on LAKES

QUESTION: *Where does a lake come from?*

* * * *

ANSWER: Lakes are merely good-sized depressions in the land that have been filled with water. The depressions may have resulted from the shape of the countryside, or they may be in valleys cut by running streams, perhaps blocked by a man-made dam at the lower end. Again, they may have been gouged out by the slowly moving rivers of ice called glaciers (upper left) which once covered much of North America. Such glaciers pushed masses of rubble ahead of them, and when they ceased moving, the rubble often acted like a dam, holding back the water when the ice melted, thus forming a lake. Lakes get water in other ways, too (upper right). Streams may run into them (1); the rain helps (2), as well as seepage from groundwater (3) and discharge from underground springs (4). Lakes lose water by evaporation from the surface (6), seepage out (5) and spillover outlets (7) which often act as the headquarters of streams and rivers. Lakes are extremely useful. They hold water back, enriching the soil; they give us wonderful swimming, fishing and boating. And what's so beautiful as the shimmering surface of a lake?

(Steve Mills of Burlington, Vt., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize.)
